Unknown: describe each unknown plant once below, and call Ben if you can't identify it												
1												
2												
3												
4												
5												

STOP!

Did you find any noxious weeds or unknown plants you can't identify? Don't forget to call them in as soon as you can! If you do have a new infestation of a noxious weed, the sooner we know about it, the sooner we can start working to control it.

Ben Peterson: 206-263-6466, ben.peterson@kingcounty.gov
