Title

The FreeBSD Foundation is a 501(c)(3) non-profit organization dedicated to supporting the FreeBSD Project and community. The Foundation relies entirely on donations from individuals and businesses to fund its activities. This support allows the Foundation to promote, improve, and fund research using the FreeBSD operating system. Our EIN is 84-1545163. For more information regarding our goals, projects and use of collected funds, please visit our web site: www.FreeBSDFoundation.org.
