Program Review 2012 Feedback Form

Introduction

Thank you for your work on giving feedback on the Program Reviews conducted in 2012.

This form has been designed to make it easy for you to enter your feedback regarding the Program Review you have been assigned. It follows the order of the Program Review template.

Please note the following:

- Questions marked with an asterisk * are required.
- You can go back to a previous page by clicking on the "BACK" button at the bottom of the page. Please do NOT use your browser's back button

- You can save your work and return to it later. Starting on the next page, you will see a bar at the top of the page that says "Save and Continue Survey Later." When you click this, you will be asked to provide your email address so that you can be sent an email from SurveyGizmo with a unique link to the survey. You MUST use this unique link in order to return to the survey that you saved.

- To provide feedback for another Program Review, there is a link at the end of this survey, or you may use the original link that was sent to you.

Please contact Maria Narvaez at ext. 4021 if you have any questions.

Thank you again for your work in this important endeavor!

General Information

Reviewer's Name*   _____

( ) Mathematics & Math AS-T
( ) Nursing: LVN
( ) Nursing: LVN to RN
( ) Nursing: RN
( ) Physical Science
( ) Reading

Enrollment, Achievement, and HR Data

2) How has the program explained their data for the columns 1-3 (enrollment, achievement, staffing)?
   - Was the content concise yet sufficiently in depth?
   - Was there sufficient detail to understand their point?
   - Were the data effectively related to trends in student access and performance during the review cycle? If there were anomalies in the data, were they adequately explained?
   - Did the review explain how the staffing structure (including full-time to part-time ratio of faculty) has affected, positively or negatively, the program's ability to fulfill its mission and goals?*

_____
_____

SLOs

3) - How has the program explained their SLO data (class and program level)?
    - Were changes and responses made to the courses and/ or program as a result of the data analysis?*

_____
_____

4) Do you feel that you have an understanding of how the program has used their SLO data for program improvement?

_____

_____

Goals

5) Describe what appears to have contributed significantly to the program's plan development for the past three years.
   - Do they have a vision?
   - Have the data from questions 1-4 (of the program review template) informed their planning?*

_____

_____

Collegewide Goals

6) Do you have a clear idea of how their program supports institutional goals?
   - Did they reference the institutional goals and mission?
   - How does their Program Review give you a clear idea of how their program fits into the college mission?*

_____

_____

Comments

7) Comments or suggestions about how to improve the program review template

_____

_____

8) General comments about program review overall

_____

_____

Thank You!

Thank you for filling out this feedback form. Your comments will be helpful to the program.
