

Technology Resource Security Deposit Refund Request Form

A **Technology Resource Security Deposit** is required in order for an eligible student to be provided the use of a mobile electronic device by McAllen ISD. When the student no longer participates and the device is returned to the district, the security deposit may be refunded. The primary parent/guardian on record with McAllen ISD must submit a properly completed and signed **Technology Resource Security Deposit Return Request Form** within 30 days of returning the technology resource and all accessories or forfeit the refund.

Important: Only the \$40 Technology Resource Security Deposit is refundable. The \$40 Technology Resource Replacement Benefit Program fee is **not** refundable.

The \$40 Technology Resource Security Deposit is refundable upon the return of the district-issued technology resource and accessories, less the cost of any expenses incurred due to the failure of the student to return the technology resource and accessories or return the technology resource and accessories in an acceptable condition. The refund will be sent to the address on record in the district's student information system within 30 days of receipt of the properly completed and signed form.
