MASTERS IN TRIAL

A unique opportunity to watch a trial demonstration from opening statements to jury deliberations.

Be “in the courtroom” as some of the leading trial lawyers in Minnesota and the country present a case before a presiding judge and a jury, complete with witnesses, experts, courtroom visuals and actual jury deliberations.

Wednesday, July 11, 2012
Minnesota CLE Conference Center
Seventh Street & Nicollet Mall
Third Floor City Center, Minneapolis

Minnesota CLE is pleased to co-sponsor this unique seminar with the Foundation of the American Board of Trial Advocates.

This is a rare opportunity to observe the styles and techniques of some of Minnesota's – and America's – leading trial lawyers. This trial demonstration is complete with a judge, witnesses, exhibits, a jury – *and you'll watch actual jury deliberations as they happen.*

The skills you will see demonstrated in this personal injury trial are applicable to virtually every other civil case.

Eleven experienced trial lawyers will participate in this damages trial, which explores nuances of traumatic brain injuries received by a young RN in an auto accident. She has brought suit against the drivers of the two cars for \$300,000 in medical expenses and alleging permanent neurological impairment, headaches and personality change. The defense will show that she was able to successfully complete a year-long intensive specialty training post-accident and is functioning at a high level.

This seminar will be valuable to attorneys who are just beginning their litigation practice as well as the experienced attorney who would appreciate observing and learning new ideas and methods.

ABOUT ABOTA

The preservation of the civil jury trial – the embodiment of the concept “Justice by the People” – is the primary purpose of the American Board of Trial Advocates. As faithful stewards of the constitutional right, the more than 6500 members of ABOTA are divided between defense and plaintiff civil trial lawyers. By imposing high membership standard, ABOTA, made up of some of the leading trial lawyers in America, has earned the reputation as the “best of the best.”

Educating attorneys in the art of trial advocacy has been a primary goal of the Foundation of the American Board of Trial Advocates since its inception. This *Masters in Trial* seminar shows how experienced trial lawyers conduct a trial without war stories. ***Don't miss it!***
