

Welcome to KMV Bookland Park, where Reading has been Rewarded for 25 years!

HOW IT WORKS: Keep track of the minutes you read (or someone reads to you) while away from school by coloring the acorns below. When ALL of the acorns are colored in, have an adult sign the form and return it to your teacher anytime before REWARD DAY to receive a free book from the KMV PTO (up to 4 free books/year)! To commemorate the KMV 25th anniversary you will add a 25¢ piece with your name to our “Bookland Fountain of Knowledge” on the reading wall. Once you receive your 4 free books, please continue filling out forms and return them for additional prizes! (Note: students may earn only 1 free book/month, however, you will be rewarded for each additional log each month.)

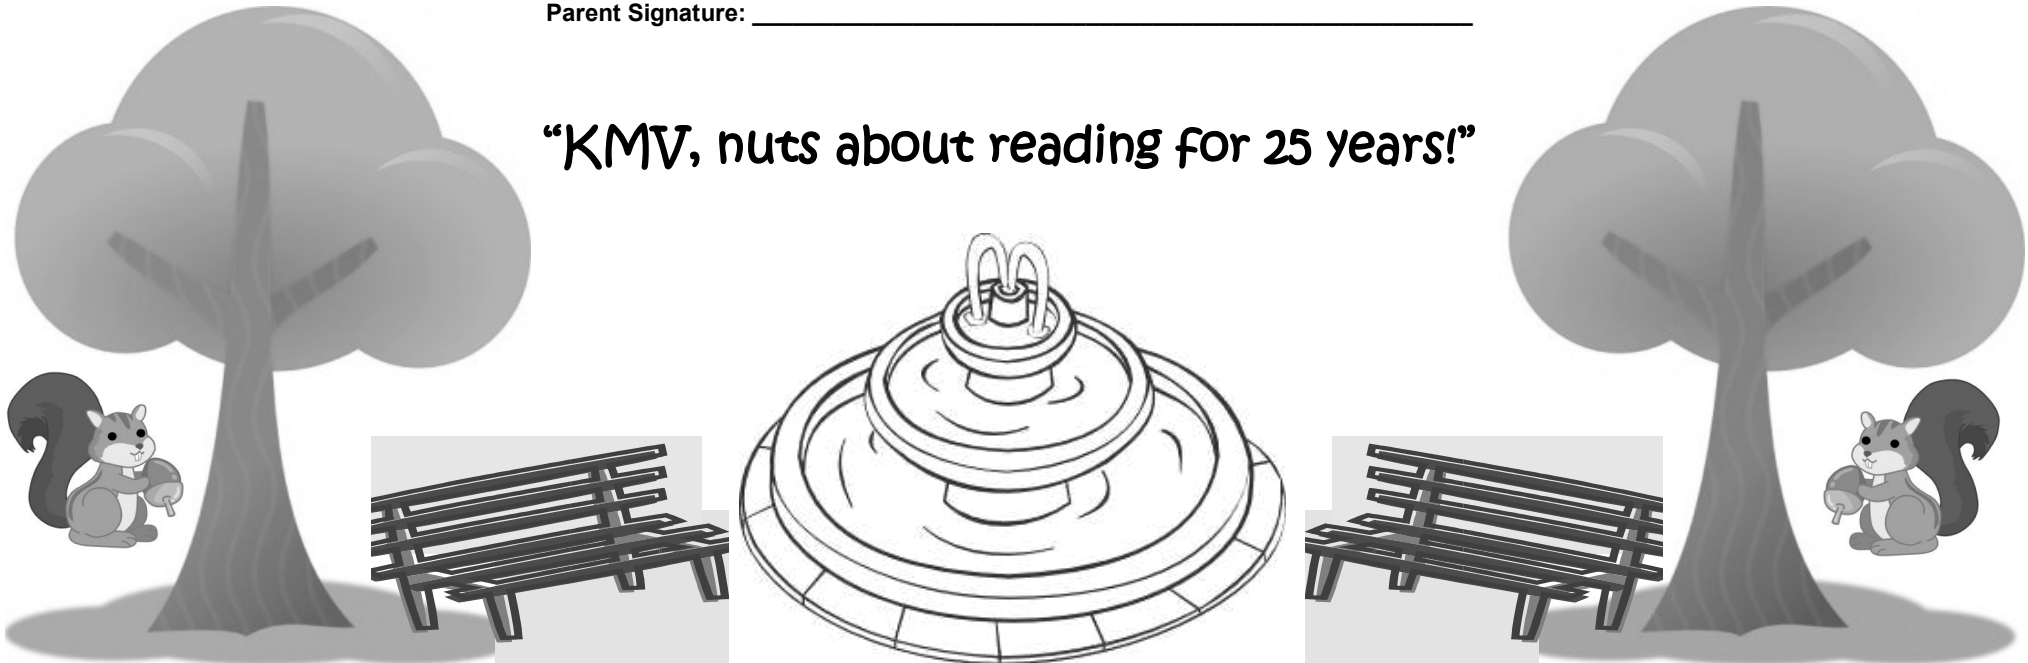

GRADE K-1: One acorn = 10 minutes reading *** **GRADE 2-3:** One acorn = 20 minutes reading *** **GRADE 4-5:** One acorn = 30 minutes reading
