

## Veterinary Students

Students have been an integral part of the symposium for many years now. They are invited to attend for only \$50 to help defray the costs of meals.

Students receive the proceedings book as well as all meals and breaks. Students take part in the meeting just like any other member. For people in the job market, this meeting can be great exposure to employers and future associates.

## Continuing Education

RACE Program Number: 236-10917  
Number of Hours of CE for Veterinarians: 14.50 (maximum for one veterinarian: 14.50)

Northeast Dairy Production Medicine Symposium, INC is a NYS approved veterinary CE provider. This program gives 14.5 hours of CE in NY as well as for RACE.

## \* Hotel—Book by 3 / 2 \*

The Symposium takes place at the East Syracuse Embassy Suites on Old Collamer Rd, Syracuse. The hotel number is

**315-446-3200**

Rates are \$119 for 1 king bed, or \$129 for 2 double beds. Book by **MARCH 2** for these rates! **USE CODE NEDPMS** They include breakfast and managers reception. On the website, there is a link to easy room reservations at these rates.

**Meals** are included in registration. The group meals will be dinner Friday, and lunch and dinner on Saturday. If you stay at the Embassy Suites, a hot breakfast is included in your room charge. Staying at the Embassy Suites helps us with the room promise. If we don't have enough rooms, we need to pay to rent the meeting room. Extra meals for other non-registered people can be paid for at the symposium.

**Hotel Code: NEDPMS**

## Welcome!

### Welcome to the 22nd Annual Northeast Dairy Production Medicine Symposium!

The Planning Committee met at AABP last year and came up with a great list of topics and speakers. We have RACE approval for 14.5 CE Credit hours and New York approval as a Veterinary CE Provider. Topics to be covered include our right brain exercises Friday afternoon to help you develop leadership teams in the clinic or on farm, immunology and vaccines, nutritional challenges, colostrum management, reproductive management, Salmonella Dublin, and pasture based nutrition. Sign up now to avoid the cut-off and to get the best prices on rooms at the Syracuse Embassy Suites!

The mission of the Northeast Dairy Production Medicine Symposium, INC is to contribute to the well-being of our dairy producers by providing a unique educational experience for dairy-oriented veterinarians and veterinary students. The object of this experience is to provide motivation, information, discernment, and support for the practice of dairy production medicine.
