Questions 1 through 9 pertain to medical conditions and use of chemical substances. If you answer "Yes" to question 1, you must answer questions 2 and 3. If you have answered "No" to question 1, continue with questions number 4 through 9. If you answer "Yes" to question 7, answer question 8. Please read the definitions below carefully. Your responses will be treated confidentially, and retained separately. Please be aware that you have a right to elect not to answer those portions of the following questions which inquire as to the illegal use of controlled dangerous substances or activity if you have reasonable cause to believe that answering may expose you to the possibility of criminal prosecution. In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be made in good faith. If you choose to assert the Fifth Amendment, you must do so in writing to the Board office and confirm that by the answer given to questions number 5 and 9. You must fully respond to all other questions on the application. Your application for licensure will be processed if you claim the Fifth Amendment privilege against self-incrimination. You should be aware, however, that you may later be directed by the Attorney General to answer a question which you have refused to answer on the basis of the Fifth Amendment, provided that the Attorney General first grants you immunity afforded by statutory law (N.J.S.A. 45:1-20).

For the purposes of these questions, the following phrases or words have the following meanings:

"Ability to practice dentistry" is to be construed to incude all of the following:

1. The cognitive capacity to make appropriate clinical diagnoses and exercise reasonable dental judgements and to learn to keep abreast of dental develpments; and
2. The ability to communicate those judgments and dental information to patients and to other health care providers, with or without the use of aids or devices, such as voice amplifiers; and
3. The physical capability to perform dental tasks such as dental examination and dental procedures, with or without the use of aids or devices, such as corrective lenses or hearing aids.

"Medical condition" includes physiological, mental or psychological conditions or disorders such as, but not limited to, orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional or mental illness, specific learning disabilities, HIV disease, tuberculosis, drug addiction and alcoholism.

"Chemical substances" is to be construed to include alcohol, drugs or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber's direction, as well as those used illegally.

"Currently" does not mean on the day of, or even in the weeks or months preceding, the completion of this application. Rather, it means recently enough so that the use of drugs may have an ongoing impact on one's functioning as a licensee, or within the past two (2) years.

"Illegal use of controlled dangerous substances" means the use of controlled dangerous substances obtained illegally (e.g. heroin or cocaine) as well as the use of controlled dangerous substances which are not obtained pursuant to a valid prescription or not taken in accordance with the directions of a licensed health care practitioner.

1. Do you have a medical condition which in any way impairs or limits your ability to practice your profession with reasonable skill and safety? Yes ☐ No ☐

2. If you answered "YES" to question 1, are the limitations or impairments caused by your medical condition reduced or ameliorated because you receive ongoing treatment (with or without medications) or participate in a monitoring program **? Yes ☐ No ☐

3. If you answered "YES" to question 1, are the limitations or impairments caused by your medical condition reduced or ameliorated because of the field of practice, the setting or manner in which you have chosen to practice? Yes ☐ No ☐

4. Have you ever been diagnosed as having or have you ever been treated for pedophilia, exhibitionism or voyeurism? Yes ☐ No ☐
(See Question 5 for the Fifth Amendment option before responding.)

5. If you have chosen not to answer question 4 and instead have submitted a written Fifth Amendment assertion to the board office, check the "YES" box here. Yes ☐ No ☐

6. Does your use of chemical substance(s) in any way impair or limit your ability to practice your profession with reasonable skill and safety? Yes ☐ No ☐

If this question does not apply, check both the "No" box and the "Not Applicable" box. Not applicable ☐

7. Are you currently engaged in the illegal use of controlled dangerous substances? (Recall that "currently" is defined as "within the last two years.") Yes ☐ No ☐
See Question 9 for the Fifth Amendment option before responding.

8. If you answered "YES" to Question 7, are you currently participating in a supervised rehabilitation program or professional assistance program which monitors you in order to assure that you are not engaging in the illegal use of controlled dangerous substances? Yes ☐ No ☐

9. If you have chosen not to answer question 7 above and instead have submitted a written Fifth Amendment assertion to the Board office, check the "YES" box here. Yes ☐ No ☐

** If you receive such ongoing treatment or participate in such a monitoring program, the Board will make an individualized assessment of the nature, the severity and the duration of the risks associated with an ongoing medical condition so as to determine whether an unrestricted license should be issued, whether conditions should be imposed or whether you are not eligible for licensure.

"I certify that the information entered on this form is true and complete to the best of my knowledge, and further acknowledge that if the above information is willfully false, I am subject to punishment and/or disciplinary sanction including license suspension/revocation or the imposition of civil penalties as may be provided by law."
