

## »Robotic & Automation Area«

Lasers work without contact or wear – ideal conditions for automation, in particular when it comes to industrial robots. As a platform for laser systems in production, LASYS offers you the ideal opportunity to present your solutions to specific production tasks with the »Robotic & Automation Area« – without any great effort or complication.

### »Robotic & Automation Area«

**Complete offer 17.5 m<sup>2</sup> 4,800.00 €**

Planning, organisation, stand set-up and dismantling
