

# Gear Rental\* and Travel Itinerary Form

- Please return this form by March 21, 2014 -

Attn: NOLS Wilderness Medicine Institute • 284 Lincoln St. • Lander, WY 82520

• FAX 307-335-2355 •

You must fill out and return this form if you are using the NOLS Shuttle from the airport to the teaching site on April 5, 2014, and/or the return shuttle from NOLS Southwest to the Holiday Inn Express on May 1, 2014. If we do not receive your travel itinerary form by **March 21, 2014**, we will assume you are arranging alternate transport to the course site. Please fill out this itinerary form and return it to us as soon as possible.

Please note that the NOLS shuttle will be departing the Tucson airport at 3pm on April 5, so you will need to arrive in Tucson prior to that time. To locate the shuttle after you arrive in Tucson, please look for someone in the baggage claim area #1 holding a NOLS sign.

Please keep us informed of your status if you experience any problems while traveling (e.g. delayed, canceled, or missed flights), by calling NOLS Southwest at (520) 749-0955.

If you have any questions about travel arrangements, please call us before you purchase tickets.

The shuttle fee is included in your course tuition.
