2014-2015 Cheerleader Tryout Packet

Tryout information packets for each middle school and high school in the Garland Independent School District are available on the district website: www.garlandisd.net. Follow the Departments & Programs link and select Cheerleading.

Please read the entire application packet. Both the candidate and a parent/guardian must sign four forms at the end of this packet. You can leave your application at the front office in an envelope addressed to Ms. Caplinger; Mrs. Groothuis will place it in my box and give you a receipt. Forms should be turned in before or at the SHS Cheer Tryout Parent Meeting on **March 17th**. Once we have received your application, Ms. Caplinger, Mrs. Natale, or Mrs. Ledbetter will sign, date and give you a receipt. Turning in your completed forms during the parent meeting is greatly appreciated. There is preliminary checking that needs to be done before you can attend the clinic. Turning in your application at the clinic will delay your entry into the clinic. **Positively no tryout forms will be accepted after 4:30pm on March 18th**. If all of your signed forms are not turned in at this time, you **may not** tryout.

Dear Parents,

This is a note to introduce ourselves and to acquaint you with the expectations of a Sachse High School Cheerleader. We hope you, as parents of a prospective cheerleader, are aware of the time and energy it takes to be an effective student leader responsible for guiding student conduct at extra-curricular activities and during the school day, both on and off campus.

You will receive a copy of the Cheerleading Constitution for all GISD high school cheerleaders at the tryout meeting. The Constitution is also posted at www.garlandisd.net/cheerleader. All Sachse High School Cheerleaders will be expected to abide by these standards and guidelines. Cheerleaders who fail to adhere to the standards and guidelines will be penalized.

Candidates selected to be a member of the cheerleading squad are expected to make a commitment to the activity for the full cheerleading year or until their graduation date, depending on which comes first. **SHS Cheerleaders must give 100%, and complete their commitments and responsibilities to SHS cheerleading before anything else.** SHS Cheerleaders will have additional duties, which they will be required to perform throughout the school year. These duties will include (but are not limited to): planning and working fundraising events, cheerleading camp, Sachse Fall Fest, parades (Labor Day, Sachse Christmas, MLK Parade, etc.), preparation for homecoming festivities, for games indicated in the cheerleading constitution, attendance at athletic play off games, and participation in various school and community service projects. A great amount of time and energy will also be asked of the parents/guardians in providing transportation to some of the activities and in other miscellaneous functions during the year.

The estimated cost of cheerleading for one year is outlined in the packet. The greater part of these expenses is incurred during the **first three-four weeks after tryouts**. Every effort has been made to keep these costs to a minimum. The stated costs include fees for camp instruction/week, camp wear, and season wear. This does not include any fees required for homecoming fees or competition squad.

On the following page there is a tentative list of cheerleading events. It is very important that all newly selected cheerleaders attend the practices and functions which are listed. The absence of any member affects the productivity of the entire squad. Consequences for missing these activities are detailed in the GISD Cheerleading Constitution. In order for cheerleaders to be able to give 100% to his/her activities, it is important to make a choice between Varsity cheerleading and Volleyball/Basketball. This is in the best interest of the organization as well as the student who needs to fulfill the responsibilities he/she has chosen. JV and Freshmen cheerleaders can play another JV or Freshmen sport provided there are minimal conflicts. The cheerleader must work out the conflicts with both coaches.

If a cheerleader is on the 2013-2014 SHS cheer squads and decides to not tryout for cheerleader for 2014-2015, he/she will possibly be placed in study hall after tryouts for the remainder of the Spring term, to be determined by the principal. If a cheerleader is on the 2013-2014 cheer squads and tries out for cheerleader for 2014-2015 and is not selected by the judging panel, he/she will possibly be placed in study hall after tryouts for the remainder of the Spring term, to be determined by the principal.

We hope you will discuss the expectations and obligations of being a SHS cheerleader with your son/daughter, and agree that Sachse Cheerleading is a worthwhile organization. Cheerleading helps students to form friendships, enrich communication, and develop group dynamics skills and responsibility. It also gives them countless opportunities to foster leadership skills that will prove beneficial later in life. With your support we can work together to make this year at SHS a successful and memorable one. We look forward to meeting each of you during the coming year. If at any time you have questions, please do not hesitate to call or email one of us.

After all candidates have completed their tryout, an administrator will dismiss the group. Each candidate will receive information in an envelope on how to view the announcement of cheerleaders when they are dismissed.

These tryouts are closed. Parents and friends may wait for their candidate outside of the building.

Every attempt is made to hire judges who have not worked with students in the Garland area. However, with the hundreds of camps in the state of Texas, attended by thousands of cheerleaders and taught by hundreds of instructors, it may be possible at some time that a member of the judging panel may have had some contact with a candidate who is trying out. Professional judges with outstanding credentials and references will be hired for all tryouts. They will be instructed to judge the candidates based only on the mastery of the skills that they see demonstrated during the tryouts. Tryout results will not be challenged because of prior knowledge of judges and candidates.

Selection of Cheerleaders

Judges' panel vote is worth 100% of the cheerleader tryout process.

There will be five judges. Each judge will have a total of 100 points that he/she may award. The high and low score will be thrown out and the remaining three judges' scores will be averaged together. This number will count 100%. Each candidate must score a minimum percentage of points in order to be placed on a cheerleading squad. Varsity candidates must earn a minimum percentage of 50% to be placed on the squad. JV candidates must earn a minimum percentage of 45% to be placed on the squad. Freshmen candidates must earn a minimum percentage of 40% to be placed on the squad.

The squads will consist of the following:

Varsity – Top 3 seniors, top 3 juniors, next 6 candidates (without regard to grade)

Junior Varsity – Top 10 sophomore candidates

Freshmen – Top 10 freshmen candidates

There will be administrators/administrative interns present during tryouts. A person not connected with the tryouts will enter all scores into a computer using a district-wide formula. All decisions are final!

After tryouts, each candidate will be given a web address to see the 2014-2015 Sachse High School Cheerleading Squads.

If you would like a copy of your scores mailed to you, please turn in a self-addressed stamped envelope with your application. All self-addressed stamped envelopes must be turned in by March 20th if you would like a copy of your scores. We will not accept envelopes/requests of scores after March 20th.

I understand that he/she must abide by the rules and regulations set forth by the sponsor and the principal of Sachse High School and be present for all practices and games. I understand all forms must be completed and turned in by 4:30pm on March 18th or my son/daughter will not be allowed to tryout. **(Please bring completed forms to the parent meeting on March 17th or earlier if possible.)**

Every attempt is made to hire judges who have not worked with students in the Garland area. Cheerleading is a very time consuming responsibility and will require much time outside of the school day. Candidates selected to be a member of the cheerleading squad are expected to make a commitment to the activity for the full cheerleading year. Attendance is mandatory at all cheerleading activities. Also, incidental expenses may arise which cannot be allotted for at this time.

Cheerleaders are expected to conform to a higher standard of behavior than others do. Cheerleaders will abide by and uphold all of the cheerleading guidelines, rules and regulations as well as SHS and GISD policies.

The cheerleaders will be required to take field trips to out-of-town games by means of a bus. Cheerleaders must ride the bus to and from these games. In consideration of GISD guidelines, the parent(s) or guardian(s) must agree to their child taking these school-sponsored field trips. A more formal field trip permission form must be signed at that time. Cheerleaders must provide their own transportation to all in Garland/Rowlett/Sachse games/events. Parents may be called upon to provide transportation and to chaperone.

We have read the above statements and all the attached forms regarding tryouts, regulations, costs and the standards of cheerleading at SHS. We understand and will abide by all the rules introduced and enforced throughout the year. We realize that cheerleading is very time consuming and all-stars, work, etc. are not excused absences from my responsibilities as a cheerleader.
