

Information sheet for **exploring real-world problems** in work processes.

Please read the following agreement.

This interview is being conducted by students of the Ludwig-Maximilians-University (LMU) and will last approximately 20 minutes.

**Goal of this interview:** Our interview investigates how technology could enhance and augment your work process in the future.

We would ask you to answer a couple of questions. You are free to answer as many or as few questions as you like.

Thank you for participating!
