UCSF BARIATRIC SURGERY CENTER
NEW PATIENT MEDICAL HISTORY QUESTIONNAIRE

Please complete this form to provide information regarding your medical condition. Feel free to ask your primary care physician for assistance. All information will be kept confidential. Please return the completed questionnaire with the following:

- ☐ Formal letter from your primary care physician, *including a 6 month summary of diet and weight history*, a list of co-morbid conditions you have in addition to obesity, and why you are being referred for bariatric surgery.
- ☐ Current insurance authorization for an initial surgical consultation.
- ☐ Photocopy of the front and back of your insurance card.

We strive to be detail-oriented and thorough. Your answers here will become part of the UCSF medical record and will be confidential.
