THE UNIVERSITY of
NEW ORLEANS

**STUDENT HEALTH
SERVICES**

Dear New/Re-Entering UNO Student:

On behalf of the staff of Student Health Services, welcome to the University of New Orleans.

As a new or re-entering student, you are subject to a State legislated pre-matriculation immunization statute which **requires** that you provide UNO with your immunization status regarding MEASLES, MUMPS, RUBELLA, DIPHTHERIA and TETANUS, in addition a MENINGOCOCCAL immunization is required. The **Proof of Immunization Compliance** is on the other side of this sheet.

The following is a summary of the guidelines of the Louisiana State Health Department:

1. **Diphtheria-Tetanus (DT)** immunizations in the last ten years.
2. If you were born on or after January 1, 1957, two **measles-mumps-rubella** immunizations are needed.
 - 2.1 The first of these immunizations must be given after 1967, after your first birthday, and given without gamma globulin. The second must be given at least 30 days later.
 - 2.2 If you had the disease, one of two proofs is necessary:
 - 2.2.1 A blood test, called a titer, which shows immunity to the disease.
 - 2.2.2 The signature of the physician who attended you when you were ill with the disease.
3. If you were born before 1957, there is no **measles-mumps-rubella** requirement.
4. If you were born before 1957, the **diphtheria-tetanus** requirement still applies.
5. A **meningococcal** immunization in the last four years.
6. Please have the compliance form **completed** and **returned prior to registration**. **Failure to do so will result in your registration being delayed or denied**. The information may be faxed, mailed, or returned in person.
7. A website for an immunization waiver can be found at <http://studenthealth.uno.edu/immunization/form/>.

We look forward to serving you while you are at UNO. Please stop by and say hello.

Cordially yours,

Betty Lo, M.D.
