

**EMPLOYEE INCIDENT REPORT  
(FOR REPORTING WORK-RELATED INJURIES & ILLNESSES)**

Employees must complete this Incident Report when they sustain a work-related injury or illness.

Complete this Incident Report and return it to HR DMS at the fax number and address at the bottom of this form.

Incident Reporting ensures there is a record of the incident on file, and helps UCSF provide a safe work environment.

In filing this Incident Report you are not filing a workers' compensation claim. You file a claim by filling out a Workers' Compensation Claim Form (DWC 1). It is not necessary to fill out a Workers' Compensation Claim Form (DWC 1) to obtain first-aid treatment for a minor work-related injury. "First-Aid" means any one-time treatment, and any follow-up visit for the purpose of observation of minor scratches, cuts, burns, splinters, or other minor industrial injury, which do not ordinarily require medical care. This one-time treatment, and any follow-up visit for the purpose of observation, is considered first-aid even though provided by a physician or registered professional personnel.

If your physician indicates that your injury requires medical treatment beyond first-aid or certifies disability beyond your work-shift at the time of injury, HR DMS will provide you with a Workers' Compensation Claim Form (DWC 1) & Notice of Potential Eligibility.
