Description of food manufacturing, processing, preparation or service provided by the facility (attach menu if provided):

Reason(s) why the facility is requesting a waiver:

Method(s) and / or equipment used to keep fats, oils and greases generated by the facility from entering the facility's plumbing and the wastewater collection system:

By signing this request for a waiver you understand if the facility's food manufacturing, processing, preparation or services change, impacting the quantity or quality of the fats, oils and greases generated, the facility will be required to install a properly sized grease trap/interceptor at the facility's own expense. There is a fee of **\$150.00** if a waiver is granted. The waiver is good for 1 (one) year and the business must reapply by the 5th of January of each year.
