# The Vision

The **GO NOW** Initiative is a growing movement of college students at The Summit Church who are committing **their summers** or **2-Years** of their lives after college to join one of Summit's local, national, or international church plants.

God is the Creator and Sustainer of all things, and we have all fallen short of his holy intentions for our design. We have all earned death through our wretched sin. But God, being rich in mercy, has provided a way for us to be reconciled back to himself through giving his own Son, Jesus Christ. That is the good news we call the GOSPEL – that Jesus, who is God, came and lived the life we could not live, died the death we deserved, and then rose from the dead, defeating death, sin, and the grave – anyone who calls on the name of Jesus will be saved from the eternal death they deserve, forgiven of their sins and adopted as a child of God! Scripture teaches that God is drawing all men to Himself and that Jesus is the only way to God – that through trusting and following Jesus alone, men and woman can be reconciled to God. Jesus has invited us to be his disciples and commanded us to go into the world and make disciples of all nations! As we seek to join this mission, we also see in Scripture that God's primary means to accomplishing his purposes is the local church. Therefore, we, as The Summit Church, are seeking to grow deeper in this gospel of Jesus Christ together and make disciples of all nations. **That's what "Go Now" is all about – every single one of us living as a missionary, growing deeper in the gospel, and proclaiming this great news of hope to the entire world – those across the street and around the globe!** We invite you to come join us in the mission of God in order that the slain Lamb of God will truly receive the reward of his great suffering (Rev. 5). Come with us and be a disciple who makes disciples!

# About Go National

**2-Year opportunities are available for all students after graduation from college and exist as a way for students to give their lives away in response to the gospel by joining the global mission of God locally, nationally, or internationally for the two years after graduation.** There will never be another time like the present to leave what is comfortable and serve God in a way that is like nothing else – giving two whole years to join the mission of God locally or globally. There are opportunities in Raleigh-Durham, North America, and around the world! These two years will set the trajectory of a student's entire life as they learn to put their faith into practice on a daily basis while serving with Summit Church Planters. This will lead students to learn what it means to be a missionary for the rest of their lives in any given context!

**When:** After graduation

**Cost:** The support needed for each 2-Year opportunity varies. Upon initial inquiry, Summit College Staff members will provide more details about support needed and information about fund raising for these opportunities.

**Students are invited to spend two years after graduation with one of Summit's North American Church Plants – serving, learning, and growing.** This is an opportunity for students to see what Church Planting is all about in North America and put their faith into action! This year, Summit College is challenging at least 10 college graduates to commit to spending two years in Washington DC as a part of a new church plant there. This is an opportunity for students to be a part of God's mission in a very dark city where the only hope is the gospel of Jesus Christ! Students can be a part of the team launching Restoration City Church in Washington DC. The launch team will start meeting regularly in RDU in early 2014 and will move to DC after graduation. The team will be planting in or near The District and the heartbeat of Restoration City is the young leaders (university students, young professionals, and families) who come to DC to make a difference in the world with the gospel of Jesus Christ!

**Next Step: Fill out the Go National Initial Application Below.** Applications are being accepted through February 1<sup>st</sup>, 2014.
