Rules:

To prevent injury to yourself or others and in consideration of those playing golf, follow these rules:

Be sure you are at least 20 feet from anyone swinging a golf club, whether for practice or striking the ball. Do not move, talk or stand close to or directly behind or in front of the ball or hole when a player is addressing the ball or making a shot.

During the event, please stay in your assigned location. When going to or from your assigned location, please stay on cart paths. When driving on the car paths, be very aware of where golfers are on all adjacent holes. If you see someone preparing to hit a shot in your general direction or near your location, stop until they are finished. Your movement or talking will distract them, cause delays in play and could cause you or others nearby to be injured.

Specific information for hole sponsors: Play is scheduled for the River Course.

Sponsors on a hole which has special contest (shown below are required to provide a prize for the contest winner on that hole. The sponsor will provide a detailed description of the prize to AENC by October 1. Refer to the list below. Prizes will be awarded and presented during the reception.
