Horses competing in the FEI division must either be stabled in the H. Cooper Black barn or penned in a designated primitive camping area located in the large field on the far side of the arena. FEI horses will NOT be allowed next to the electric campsites or metal pole corrals on the front side of basecamp, so plan accordingly.

We encourage you to make stall/campsite reservations in advance – the best time to contact the park staff is 11 a.m.-12 noon EST by calling **843.378.1555**; they can answer your questions and let you know what sites are still available.

Upon arrival at camp, please pay camping and stall fees directly to H. Cooper Black (their office is located in the H. Cooper Black horse barn and is staffed during weekday hours and also the Saturday of our event.) You can also purchase bagged cedar shavings, ice and cold drinks. If you arrive after hours, please make payment the following morning. Please note that stalls, if used, must be completed cleaned and stripped before departure.
