

Look cool at school!

As a way of promoting school and classroom spirit, our fifth grade class will create our own class name and logo. Students have an opportunity to have our name and logo on a class T-Shirt. These shirts should be worn on Fridays, field trips, spirit days, and special occasions. If you would like your child to have order a t-shirt please return this form with your \$10 by August 1st. This is not a fundraiser.

Show your class spirit and place an order for your shirt now.

Thanks!
