

The outlook for compensation in asset management

Tuesday 21 September 2010

SPEAKERS:

Tim Wright

Director, PricewaterhouseCoopers

Tim Wright, Director at PricewaterhouseCoopers and one of the foremost experts on reward in asset management.

He will offer his views on the future of compensation in the industry address questions such as:

- Will asset management firms hire more staff or cut back on headcount?
- What levels of pay can we expect in asset management?
- How will changes in the industry affect compensation?
- How will the structure of compensation packages change?
- How can compensation be more closely aligned to value added?
