

# The situation in natural gas markets – opportunity or risk?

Lunchtime discussion – Thursday 16 March 2006

**Speaker:** Alistair Buchanan, Chief Executive Officer, Ofgem

This event focuses on the current situation and outlook for natural gas markets and its implications for investors. Topics include the demand/supply situation, potential political and economic consequences and an examination of whether the consequences for operators in the gas market represent an opportunity or risk and who will be the winners and losers.
