house on South Street. Cheeseman went to Mansfield, Pennsylvania as foreman for the Dairy-men's League plant there. Upon return from Italy in March of 1923, Sisto expanded his garage. He had forty (40) cars and \$15,000-\$20,000 investment. In April of 1926, he erected a large garage addition at the back of his garage and to the south in back of the American House on the site of the former Albert P. Hill Livery Stables. Insurance rates prohibited him from building the addition on the near (north side of the American Hotel. The new addition gave him storage for thirty (30) cars and was heated separate from the American House. In June of 1926, Sisto was given an option on the Chatfield Sales Room ( along Main Street to the driveway along the building occupied by the N.Y.S. Electric Corporation and the Addison Radio Company. ???). It was a twelve thousand (\$12,000 to \$15,000 ) investment. The building was made of concrete, brick, and cobblestone.

**TOPS #889 Woodhull**  
 (7/12/12) Last week we discussed the #1 Belly Fat Cure, flaxseed. Flaxseed gives you a healthy fat that satiates your appetite, and it gets rid of belly fat. It also has lignans that can aid in easing hot flashes after menopause. We should be eating 2 tablespoons daily by adding them to smoothies, our baking and on our cereal. You can buy whole flax seeds, but you need to grind them in a coffee grinder, food processor or blender.

The fatty acids we need are in the inner oil, so they need to be ground. You can also buy it already ground. By adding flaxseed to your cereal and/or salads you will feel full longer. By feeling full longer, you will be satisfied longer and not feel deprived. You will be able to lose weight at a better rate.

This seed is not like diet pills that come with side effects. They have perks that can increase your brainpower and can help reduce the risk of heart disease, diabetes and cancer. This doesn't, however, take the place of eating sensibly and watching portions. We still need to do what we know we should do about our diet, get plenty of exercise and watch portions.

It is also very important to keep a food diary. This will keep you on top of your eating habits and will show what, if anything, you need to change.

Our chapter meets Thursday mornings in the Woodhull Town Hall from 9-10 after a confidential weigh-in from 8-8:45. We invite you to join us anytime to see if we can help you learn how to Take Off Pounds Sensibly.

 Part II: Angelo**

**Sisto-Garage Owner  
 Submitted by: Larry Mundy  
 ANGELO SISTO: GARAGE OWNER**

During the 1915-1920 period, 1917 specifically, Angelo Sisto bought a garage at 48 Main Street. Angelo Sisto was born in Italy in 1886, the son of Louie and Christine Santucci Sisto. He came to the United States at age thirteen (13) in 1899. The family settled at Sayre, Pennsylvania, where Angelo's father worked for the Lehigh Valley Railroad. Angelo, also, spent time in the shops of the Lehigh Railroad (1899-1904). At the end of the five (5) year period, he established a retail grocery business in Waverly, New York. Two (2) years later, in 1907, he became a traveling salesman for the Wolverine Soap Company of Portland, Michigan, and, in 1915 came to Corning, New York; opened a wholesale grocery store and opened the Corning Lumber Yard. Harld Tobey and Elmer Edsall managed those businesses. He came to Addison in June of 1917 as proprietor of the Metro garage located at 45 Main Street. In 1920, he built a car show room next door at 47 Main Street.

Angelo Sisto, while operating the garage, six months later, bought the American Hotel, and during the following eleven years, was, also, the owner and manager of the American Hotel (1918-1929). In 1923, he made a visit to Italy with his wife Irene, and upon returning, purchased four gasoline and oil service stations, which he successfully operated until 1930, at which time, he disposed of his interests to the Shell Oil Company. That year, 1923. Also, Angelo Sisto bought Bert Cheeseman's

**Steuben Strong Kids/Safe Kids Event**

It is described as a "free fun day for kids and their families", and it will be held for children from across Steuben County on Saturday, September 15th, in Bath. The upcoming event, the *2nd Annual Steuben Strong Kids Safe Kids Family Fling* is being organized by a collaboration of Strong Kids Safe Kids of Steuben County and the Steuben County Task Force for the Prevention of Child Abuse. "The success, however, is in the involvement of dozens of agencies, clubs, and businesses that each brings a piece of the fun," said Youth Bureau Coordinator Bill Caudill. "But in addition to fun, we also want to educate children and their families about keeping them safe."

The event will feature educational activities and family entertainment to promote awareness of children's health and safety. It is not a fundraiser, and there will be no fees for participating. Nor will there be eligibility requirements of any kind. Approximately 300 children participated in the event in its first year.

According to participating organizer Barbara McCollum, Prevention Educator for Steuben Council on Addictions, "It is simply a day for Steuben County kids to have a free family fun day - with no strings attached."

The event will also include numerous free giveaways, expecting to include bike helmets, backpacks, school supplies, snacks and more. Families will also be able to access information from service agencies on a range of health and safety issues, such as no cost health insurance, internet safety, nutrition, drug prevention, police and fire safety, and an array of available services.

Organizers invite community partners to register to set up a booth or table with hands-on activities and interactive, experiential learning. "Carnival games, arts and crafts, puppets, dance performances..could all be appropriate, as long as they are age and theme appropriate, and free to families," indicated Caudill. "It's all about Strong Kids and Safe Kids, and getting involved is a great way for organizations, clubs, and even businesses to let the community know that they care about children."

For more information about participating, organizations are encouraged to contact the Steuben County Youth Bureau at [billc@co.steuben.ny.us](mailto:billc@co.steuben.ny.us), or at (607)664-2119.

**Woodhull Area Seniors Meeting**

The Woodhull Area Seniors met July 3rd at the center. The pledge was led by Arnie Herrington and the prayer by Bill Clark. Fifty-eight, but I counted at least three more, nice turn out and as usual a great meal and fellowship. Birthdays Brenda Cline, Judy Cooney, Ray Dunn, and Irvin Nye. Anniversaries Dick & Jean Taft, Warren and Brenda Cline and Richard and Liela Taft. I missed who got the 50/50 but Fran Long won the door prize. Visitors were Fred Taft, N.C. and Vicky Taft, Cal. (guess she likes us). Piano, cello and violin music entertained by Sandy Lenahan and three of her daughters, Kresta, Faith and Joy. Everyone enjoyed. Tables were by Charlotte and Irvin Nye and helpers and Ray Dunn got the coffee going. Pat Herrington said she'd have more information on the October 8th trip to Merry Go round Theater at the next regular meeting. August 7th will be the picnic at Woodhull Firemen's field. The club will furnish hot dogs and rolls. come enjoy yourselves.

### Letters to the Editor Policy

The Addison Post encourages members of the community to tell us their thoughts on issues of **public** importance, not **personal** matters. Written articles or letters to the editor should be typed or neatly printed. Letters that are fewer than 300 words are preferred, but longer letters will be printed at a cost of 15¢ per word over 300. Letters may be mailed, faxed, dropped off or emailed, however every letter **MUST** be signed and include an address and phone number for verification, or it will not be printed. Letters may be edited for space considerations. The publication of any letter is at the discretion of the Editor. All letters become the property of The Addison Post and cannot be returned.

### Dear Editor

#### Happiest 3rd Anniversary

Formally another dear year written and printed here, (thanks be to Kathy) the Post's helper behind me.

As we humor Oakley with spellings, then tease readers with wit, interest advertisers after readership and tweeking critics perspectives using **digs** for kicks. Attempting to convert all to thee mind of no flaws, a few found flowers, some miniscule word overruns and special occasional gifts brings us a long smoothly, towards that which fits, fulfills, finds, fascinates, and flatters.

Finishing fine,  
Pete's Sly

### Dear Editor

#### Class of 1960 Milestone

On Friday evening, June 22, 2012 at the ACS commencement ceremonies, the *Class of 1960* reached an historic milestone. Some people may question my previous sentence. It's at least a significant, remarkable and /or notable milestone.

Our first four years we awarded two \$250 scholarships except for our inaugural year 2001, when we received only one application and we awarded the graduate \$500. The last eight years we have awarded two \$500 scholarships.

Over the past dozen years the *Class of 1960* has awarded **\$10,000** among 23 deserving graduates. The scholarship committee is extremely proud of that fact, and would like to believe the entire *Class of 1960* is justifiably proud.

Many scholarships, honoring individuals, have been in existence longer and awarded more money, but the *Class of 1960 Memorial Scholarship* is the first and still the only scholarship honoring a **Class**. Our honoree this year is **David Mack**. Our 2012 winners are Alexandria Price and Rhuben Reed. We wish these two young people well in their college careers!

### Thank You

After suffering the loss of my husband Lewis Martin people have gone above and beyond to help with the process that comes following the death of a loved one. From the food, cards, fire apparatus, flowers, thoughts and prayers it has been brought to my attention all of the people that care for me and my family.

If you had a chance to make my husband's services you'd realize just how close the Martin family is but without the help of each and everyone who assisted with the services and the days prior it wouldn't have been possible.

So from the bottom of my heart I would like to extend my love and appreciation to everyone who took the time out of their lives to help the whole Martin family.

Lewis Martin's Family

## NYSSCA Safety Award Night at Woodhull Raceway July 28<sup>th</sup>

The New York State Stock Car Association (NYSSCA) is an organization that is dedicated to promoting the sport of stock car racing. This is the first year that Woodhull Raceway has become a NYSSCA member track. There has been much support from track owners Ted White and Brandi McCutcheon, the track staff and the racing community.

The NYSSCA Safety Award Night is a night held at each member track once a year. The highest finishing NYSSCA member in each feature division receives \$75.00; the second highest finishing member receives \$25.00. All first and second place members also receive a NYSSCA hat and yearbook. There is also a \$50.00 "wild card" drawing where all of the names of the NYSSCA drivers, racing that night, are put into a hat and a winner is drawn.

NYSSCA's most important project was to establish a benefit fund to help members who were injured in race related accidents. This fund provides a \$125.00 cash benefit per week for any members injured during a sanctioned racing event and who are unable to work. Benefits are paid up to 26 weeks.

A NYSSCA Yearbook is published annually which contains a record of all the NYSSCA functions from the previous season. A NYSSCA Awards Banquet is held each year in January. The evening includes the much celebrated Hall of Fame Induction ceremony, awards and recognizes the accomplishments of the members. Membership is open to anyone – drivers, owners, fans, press, sponsors and other members of the racing family. On most Saturday nights you will see Shari Pierson and Mary Woodworth who are the Woodhull NYSSCA track representatives talking with everyone and signing up new members. The annual membership fee is \$25.00 per member.

**Summary of Jasper-Troupsburg Board of Education Meeting**

July 5, 2012

This summary is intended to help the Board and the Superintendent inform the community of the Jasper-Troupsburg School District about the issues the district is addressing. If anyone has a question or concern, please feel free to contact Chad C. Groff, Superintendent (792-3675).

**Board Member Action.** The following 2012-13 offices were elected for the board of education: President – Cameron Bullock, and Vice-President – Lisa Tracy. The Board also approved numerous official appointments that are part of the reorganization meeting. The list of appointments is located on the agenda posted on the website for the meeting.

**Communications.** Mrs. Catherine Robinson thanked the Board for their well wishes as she retires. Mr. Greg Elliot, GST BOCES Food Service, shared information related to school meal pricing changes that will face school districts. School districts will need to begin to adjust prices to meet federal guidelines. This information can be found in the front of the board packet information posted on the school website.

**Presentation.** Mr. Greg Elliot talked about the mandated changes regarding how school meal menus are created, what food items are served to students and the serving sizes by grade level, the whole grain content of certain foods, minimums and maximums for meats and grains, flavored milk requirements, and sodium levels. All these changes will be challenging for our staff as well as some of our taste buds – please be patient as we adjust to the new requirements.

**Personnel items.** The following staff were appointed for transportation services for special education summer school: Mrs. Patricia Young – bus driver; Mrs. Sandra Mattison – bus driver; Mrs. Amy Hammond – bus attendant; and Mr. Robert Cornish – bus attendant. As our new high school guidance counselor transitions into her new position, the Board approved Mrs. Kathy Linnan to work with her during the summer transition.

**Action items.** The Board approved the athletic event fee schedule for the 2012-13 school year: same household family pass - \$25; single person pass - \$15; and a per person gate fee of \$1.00. Information related to purchasing athletic passes will be available in mid-August.

**Discussion items.** The Board continued its discussion of the future of the school house. After analyzing the historical costs and revenue for the house the Board decided it would explore the deed history for the house to be sure there are no requirements related to the potential sale of the house. In the meantime, the Board did not want the house to sit vacant during the winter months. Therefore, the Board decided to make the house available for a monthly rent of \$600. The lease agreement will also stipulate the potential for the district to sell the house in the future.

**Steuben Prevention Coalition**

The Steuben Prevention Coalition sponsored a Drug Impairment Training for Education Professionals (DITEP) at the Public Safety Building in Bath pulling in several area school employees to increase their awareness on drug impairment in students. According to the Steuben County Drug Free Communities Coordinator, Norman McCumiskey, "this training is intended to provide school administrators and nurses with a systematic approach to recognizing and evaluating individuals, in the academic environment, who are abusing and impaired by drugs, both legal and illegal, in order to provide an early recognition and intervention."

The goals of DITEP are: 1) To help fight the growing problem of drugs in the educational environment, 2) To make schools a safer environment for learning, and 3) To reduce alcohol/drug related driving accidents. DITEP is a free service to school districts through the NYS Governor's Traffic Safety Committee. Participants in this training included staff from Bath, Hornell, Corning/PP, Avoca, Arkport, Bradford, Prattsburgh, Hammondspport, and Canisteo/Greenwood.

(7/15/12) 1 Samuel 3:1-16 and Mark 9:2-13 are similar. 1 Samuel tells of God's calling to Samuel. Three times God called him and he thought it was Eli the prophet calling him. Twice Eli sent him back to bed, but the 3rd time he realized it was God calling the boy. He told Samuel to go back to bed and when called again, say "Speak Lord, for your servant is listening." God told Samuel of the wrong things Eli's family was doing and He was going to destroy the family. Then God was going to make Samuel the prophet of the people. After this, Samuel went to sleep. In the morning he got up and opened the door to the temple. He didn't make a big issue of what God had said, but went about his work. In Mark, Jesus took Peter, James and John up on a high mountain where Jesus was transfigured. They saw a glow about Jesus and saw Elijah and Moses with Him. Then Peter said they should build a temple for Jesus, Moses and Elijah. Then a cloud appeared and Moses and Elijah were gone and a Voice said "This is My Son, listen to Him." When they left the mountain, Jesus ordered them to not tell anyone what they had seen until the Resurrection. He wanted them to go down and do what needed to be done. When we come back from special events we're really pumped. The issues are still there, so we need to go out amongst the hurting people and do what needs to be done. We all have special times and we need to go about doing God's work. Where do you go? What do you tend to? Services are at 9:30 and we invite you to join us Sunday morning.

**Help Your House of Worship; It Has Always Helped You**

If you have been attending your House of Worship for any length of time, you know you have been doing it for a reason. Just being there has helped you through many a crisis or sorrow in your life. You have benefited greatly from the inspiring sermons, and perhaps you have had an occasional talk with your clergyman about some problem. Now, if at all possible, you should do something in return. Whatever you are able to do, such as making phone calls, arranging a potluck dinner, helping with a cleanup project, etc., would be welcome. It will help you to repay all the blessings and guidance you have received there over the years.
