(7) Recordkeeping requirements. (i) Each self-employed certified commercial applicator, each firm employing a certified commercial applicator, and each person who contracts with a certified commercial applicator (or his or her employer) to have a restricted use pesticide applied on property owned or operated by another person shall keep and maintain at their principal place of business true and accurate records of the use of restricted use pesticides, providing the following information:

- (A) Name and address of the person for whom the pesticide was applied;
- (B) Location of the pesticide application;
- (C) Target pest(s);
- (D) Specific crop or commodity, as appropriate, and site, to which the pesticide was applied;
- (E) Year, month, day, and time of application;
- (F) Trade name and EPA registration number of the pesticide applied;
- (G) Amount of the pesticide applied and percentage of active ingredient per unit of the pesticide used; and
- (H) Type and amount of the pesticide disposed of, method of disposal, date(s) of disposal, and location of the disposal site.

(ii) Availability of required records. Each certified commercial applicator shall keep all records required under this paragraph current and shall make such records available for inspection and copying by representatives of EPA for a period of at least two years from the date of use of the pesticide.
