

## 2011-2012 Dependent Verification Worksheet Federal Student Aid Programs

Your application was selected for review in a process called "Verification," as indicated on your Student Aid Report (SAR). In this process, Pima Community College (PCC) will be comparing information from your application with signed copies of yours and your parent(s)' 2010 Federal tax forms, W-2 forms and other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, PCC may need to make corrections electronically or by using your Student Aid Report. If PCC determines you need to make corrections to your FAFSA you will be notified.

Complete this verification form and submit it to your financial aid administrator as soon as possible, so that your financial aid won't be delayed. Your financial aid administrator will help you.
