By participating in the We Save program, you can save energy and earn rebates when you purchase a new ENERGY STAR qualified appliance and recycle an operating refrigerator.

What rebates can I earn?

- Refrigerator = **\$25**
- Dishwasher = **\$25**
- Clothes washer = **\$25**
- Refrigerator Recycling Bonus = **\$50**

What does it mean to be ENERGY STAR Qualified?
Refrigerator

- Can save more than **\$100** per year (when replacing 1980s unit) and more than **\$200** per year (when replacing 1970s unit)
- Are **20% more** efficient than required by current federal minimum standards

Dishwasher

- Can save **\$40** per year (when replacing unit made before 1994)
- Are **10% more** efficient than non-qualified models

Clothes Washer

- Can save up to **\$135** per year (when replacing 10 year old unit)
- Use **37% less** energy and over **50% less** water than regular washers

How Do I Qualify?

- Residential customers receiving electric service from a local municipal electric utility that is a participating member of MMPA are eligible for rebates when buying ENERGY STAR qualified appliances.
- **Appliance must be ENERGY STAR qualified and labeled accordingly to be eligible for rebates. At time of purchase, appliance must be on current ENERGY STAR list. (Ask your dealer which models are currently listed.)**
- Appliance must be installed in a home that receives electric service from a local municipal utility that is a participating member of MMPA.
- **To qualify for Refrigerator Recycling Bonus rebate, refrigerator must be in operating condition and proof of recycling is required. If unit is hauled away by retailer, retailer must certify that unit will be recycled and not resold (see Step 3 of rebate application).**
- Customer must apply for rebate within one year of the purchase date shown on the sales receipt.
- Rebate applications must include complete dealer and appliance information and: a copy of dated sales receipt/invoice including manufacturer, model number serial number, annual energy usage (kWh/year). Incomplete rebate applications will not be processed.
- Rebates are limited to one rebate per appliance per customer account per year.
- Rebate requests are processed on a "first-come first-serve" basis. Annual rebate funds are limited. Rebate programs, qualifications, and amounts are subject to change at any time. The customer is responsible for checking with its local municipal electric utility to determine if the program is still in effect.
- Qualifying customers must apply for rebate by November 30, 2012.
