

Attention Students – Attend ICALEO® for Free!

ICALEO has received grant money from the National Science Foundation (NSF) to be used in conjunction with ICALEO 2009 in Orlando, FL. The money is to support and promote students attending ICALEO.

Grants are available to offset the cost of student's full conference registration. Grants are only available to students attending universities in the United States.

To be considered for the grant students must complete and submit the application below to the LIA Conference Department by August 20, 2009. Submission must be accompanied by [ICALEO Conference Registration Form](#).

Notification of acceptance will be sent the week of August 31, 2009. Please contact the LIA Conference Department with any questions.

ICALEO / National Science Foundation Student Funding Application
