Laser Applications and Safety

BE THE CENTER OF ATTENTION

This is the only scheduled event during this time slot - you will have the full attention of the attendees.

The ICALEO Vendor Program has been described by participants as “abundant and fruitful,” generating “hot leads,” not to mention cost-effective and extremely efficient. Where else can you have the unprecedented opportunity to speak directly with a highly concentrated number of laser decision makers from around the world—all in one place? It’s unique to the laser industry, and it’s the perfect opportunity for you to increase your exposure.

EXPAND VISIBILITY WITH AN ICALEO® SPONSORSHIP

With several value-packed sponsorship levels to choose from, there is an option for every budget. Sponsorships include our Vendor Program Package. So, why not consider expanding the level of exposure your company will receive at ICALEO? Visit www.ICALEO.org for a list of sponsorship opportunities.

SHARING IDEAS. DISCOVERING SOLUTIONS.

ICALEO brings together the leaders and experts in the field of laser materials interaction, providing the world’s premier platform for sharing new ideas and discovering breakthrough solutions. The International Congress on Applications of Lasers & Electro-Optics (ICALEO) is known as the conference where researchers and end-users meet to review the state-of-the-art in laser materials interaction and predict where the future will lead. From its inception, ICALEO has been devoted to the field of laser materials processing and is viewed as the premier source of technical information in the field. Each year ICALEO features one or more topical areas such as laser applications in the automotive, aerospace, electronics, biomedical, and microfabrication fields. ICALEO features many networking opportunities to get to know your industry peers.

Vendor Program Policies

Upon approval of this contract by an authorized Vendor Program representative, it is expressly understood that the Vendor Program Participant (VPP) has read and agreed to abide by the following liability policies.

Location: Laser Institute of America, referred to as LIA reserves the right to determine final placement of the VPP's tabletop display within the reception area during the special reception on September 28, 2010.

Transportation/Setup: All transportation and any other costs related to tabletop setup not explicitly offered by LIA are to be paid by the VPP.

Liability: LIA, and all organizations and individuals who are employed by or associated with it in connection with this Vendor Program, will not assume responsibility and shall be held harmless by all VPPs for damage or loss resulting from fire, theft, or any other cause whatsoever, including accident or injury to VPPs, their employees and agents, the public, or others. The VPP agrees to pay promptly for any and all damages to the building or its equipment incurred through carelessness or otherwise, of vendor or his employees or agents.

Losses: LIA will not take responsibility for damage

to VPP's property or lost shipments either incoming or outgoing, nor for moving costs. Damage due to inadequately packaged property is vendor's own responsibility. If display materials fail to arrive, the VPP is still responsible for the space reserved as per this contract. Vendors are advised to insure against these risks.

Cancellations: A non-refundable deposit of \$500 is required to confirm space for the Vendor Program.

Written cancellation must be received in the LIA office prior to April 1, 2010 to assure a refund of monies (less non-refundable deposit). All monies are non-refundable after April 1, 2010.

Open Houses, Plant Tours and other off-site activities:

Vendor agrees that it will not sponsor, participate in or otherwise promote any open house, plant tour and/or other off-site hospitality activity during official show hours. Vendor further agrees that it will not pick up or deliver participants from the show site during show hours. Inquiries for open houses or other such events held during non-show hours must be made in writing at least 30 days prior to the start of the show. Please contact the conference department for more information.

Termination of Exhibition: In the event that the premises in which the Vendor Program is or is to be conducted, shall become, in the sole discretion of LIA, unfit for occupancy, or in the event the holding of the tabletop display or the performance of LIA under the Vendor Program Agreement (of which these Rules and Regulations are a part) are substantially or materially interfered with by virtue of any cause or causes not

reasonably within the control of LIA, said Contract and/or the Vendor Program (or any part thereof) may be terminated by LIA. LIA shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue of cause or causes not reasonably within the control of LIA. If LIA terminates said Contract and/or the Vendor Program (or any part thereof) as aforesaid, then LIA shall not be liable to the vendor other than for a prorated refund of such Vendor Program registration fee, payment determined on the basis of the number of conference days remaining. For purposes hereof, the phrase "cause or causes not reasonably within the control of LIA" shall include, but not by way of limitation; fire, casualty, flood, epidemic, earthquake or inclement weather; explosion or accident; blockade or embargo; governmental restraints; restraints or orders of civil defense or military authorities; act of public enemy, riot, or civil disturbance; strike, lockout, boycott, or other labor disturbance; inability to secure sufficient labor, technical, or other personnel; failure, impairment, or lack of adequate transportation facilities; inability to obtain, or condemnation, requisition, or commandeering of necessary supplies or equipment; local state, or federal law, ordinances, rule, order decree, or regulation, whether legislative, executive, or judicial, and whether constitutional or unconstitutional; or Acts of God. NOTE: Vendor Program Guidelines with shipping information, etc. will be available approximately 60 days prior to ICALEO® on the ICALEO® LIA web site.
