Read the instructions before completing this form. Use this form to correct errors you made on Form 944 or Form 944-SS. Use a separate Form 944-X for each year that needs correction. Type or print within the boxes. You MUST complete all three pages. Do not attach this form to Form 944.

**Part 1: Select ONLY one process. See page 4 for additional guidance.**

- 1. Adjusted employment tax return.** Check this box if you underreported amounts. Also check this box if you overreported amounts and you would like to use the adjustment process to correct the errors. You must check this box if you are correcting both underreported and overreported amounts on this form. The amount shown on line 21, if less than zero, may only be applied as a credit to your Form 944, Form 941, or Form 941-SS for the tax period in which you are filing this form.
- 2. Claim.** Check this box if you overreported amounts only and you would like to use the claim process to ask for a refund or abatement of the amount shown on line 21. Do not check this box if you are correcting ANY underreported amounts on this form.

**Part 2: Complete the certifications.**

- 3. I certify that I have filed or will file Forms W-2, Wage and Tax Statement, or Forms W-2c, Corrected Wage and Tax Statement, as required.**

Note. If you are correcting underreported amounts only, go to Part 3 on page 2 and skip lines 4 and 5. If you are correcting overreported amounts, for purposes of the certifications on lines 4 and 5, Medicare tax does not include Additional Medicare Tax. Form 944-X cannot be used to correct overreported amounts of Additional Medicare Tax unless the amounts were not withheld from employee wages.

- 4. If you checked line 1 because you are adjusting overreported amounts, check all that apply.** You must check at least one box.

I certify that:

- a.** I repaid or reimbursed each affected employee for the overcollected social security and Medicare taxes for prior years. I have a written statement from each employee stating that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.
- b.** The adjustments of social security tax and Medicare tax are for the employer's share only. I could not find the affected employees or each employee did not give me a written statement that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.
- c.** The adjustment is for federal income tax, social security tax, Medicare tax, or Additional Medicare Tax that I did not withhold from employee wages.

- 5. If you checked line 2 because you are claiming a refund or abatement of overreported employment taxes, check all that apply.**

You must check at least one box.

I certify that:

- a.** I repaid or reimbursed each affected employee for the overcollected social security and Medicare taxes for prior years. I have a written statement from each employee stating that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.
- b.** I have a written consent from each affected employee stating that I may file this claim for the employee's share of social security and Medicare taxes overcollected in prior years. I also have a written statement from each employee stating that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.
- c.** The claim for social security tax and Medicare tax is for the employer's share only. I could not find the affected employees; or each employee did not give me a written consent to file a claim for the employee's share of social security and Medicare taxes; or each employee did not give me a written statement that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.
