

WICHITA STATE UNIVERSITY

HOUSING AND RESIDENCE LIFE

2012 – 2013 ACADEMIC YEAR ROOM AND BOARD APPLICATION/CONTRACT

Application/Contract Process: Upon admission to the University, students may apply/contract for housing. Priority for all campus housing is primarily established by academic classification (freshman, sophomore, junior, etc.) and the date the completed application/contract and payment are received. Wichita State University makes every effort to accommodate housing requests, however due to space limitations, completion of a housing application/contract and receipt of payment does not guarantee a room assignment. **Please return the white copy of this completed form along with a \$275 payment to the Office of Housing and Residence Life, 1845 Fairmount St., Box 141, Wichita, KS 67260-0141. Students wishing to apply/contract for Wheatshocker Only must be exempt from the Freshmen Residency Requirement.**

Freshmen Residency Requirement: Full-time students who have fewer than 30 college semester hours are required to live on campus for one academic year (two semesters) or for one semester and two summer terms. Exceptions are made for students 21 years of age or older, married students and those students who live with parents or legal guardians and commute. Students who believe they qualify for an exemption must submit a Freshman Exemption Form along with proof of eligibility to Housing and Residence Life.
