Teacher Recommendation Form

TO THE STUDENT: Semester and Summer Term applications require two teacher recommendations, at least one of which should be from a current teacher in an academic subject. High Peaks Adventure applications require one teacher recommendation.

Applicant's Name:	
School:	
Program for which student is applying:	
[] HMI Semester	
The HMI Semester is a unique opportunity for juniors in high school to spend a semester living and studying in the heart of the Rocky Mountains. Our school has three integral components: a rigorous academic program involving honors- and AP-level academic curriculum; a wilderness program that includes three extended backpacking trips during which students develop thei leadership skills, gain confidence, and confront intellectual challenges; and our residential life program, where students are ab to practice their leadership, communication, and group participation skills.	
[] HMI Summer Term	
The HMI Summer Term is a six-week summer program for rising sophomores, juniors, and seniors that combines place-based academic course offerings with an extensive leadership development curriculum. The program includes two wilderness trips in Colorado Rockies that allow students to continue their academic studies, develop community and practice their leadership skil	
[] High Peaks Adventure	
The High Peaks Adventure is a two-week outdoor adventure in the Colorado Rockies for students who have completed 7th or 8 grade. The trip includes an extended backpacking expedition, mountain biking, rock climbing, and white-water rafting.	
TO THE TEACHER: Students need not have any prior camping experience to participate in High Mountain Institute programs, but show expect to carry all of their equipment in backpacks, live outdoors, and experience a wide range of weather conditions. The Semester and Summer Term both include a rigorous junior-year academic curriculum. We are seeking curious, motivated, and energetic studen who are ready to work hard and try new things. Applications to our programs are typically competitive and your candid evaluation of tapplicant is greatly appreciated.
