Placing Your Order

Orders may be placed by calling, faxing or emailing Customer Service. To ensure accuracy, please include the following information when ordering:

- ◆ Caliper
- ◆ Grade
- ◆ Size
- ◆ Diameter
- ◆ Ship To Location
- ◆ PO Number
- ◆ Delivery Date (when you need it)
- ◆ Sold To (if applicable)
- ◆ Quantity (tons, lineal feet or square feet)
- ◆ Special Specifications (ex. non-standard wind direction or core size)
- ◆ End Use Application (optional)

You will receive an Order Confirmation via fax within 48 hours, confirming products ordered, price, manufacturing date and shipping date. Please review it for accuracy and completeness. Notify Customer Service immediately if corrections or changes are required.

Order Information

All orders are shipped in accordance with the ship date printed on your Order Confirmation. The following information will be provided on all shipping labels. If you require additional information on the label, please request it at time of order.

- ◆ Mill Order Number
- ◆ Customer Name / Destination
- ◆ Roll Number
- ◆ Caliper
- ◆ Grade
- ◆ Width
- ◆ Wind Direction
(coated side in or out)
- ◆ Reel Number
- ◆ Set & Position
- ◆ Diameter
- ◆ Customer Job Identification
- ◆ Weight
- ◆ Lineal Feet (prior to an audit)
- ◆ Customer Order Number
- ◆ Bar Codes
- ◆ Arrow Indicating Unwind Direction

Roll/Skid Identification System

RTD1 2 H 27 24 1 B

Roll Position:

A to X from front to back of machine.
A - Drive Side, X - Operator Side.

Set Number

Four digit number incrementing with each set of quality tests, or turn-up on the machine. The number is usually a 1 or 2.

Day Indicator

Two digit day of the month.

Reel Indicator

Two digit reel number for the day

Month Indicator

Indicates the month of the year with each letter representing a new month starting with A for January

January—A	May—E	September—J
February—B	June—F	October—K
March—C	July—G	November—L
April—D	August—H	December—M

Year Indicator

Last digit of the current year

API Code

RTD1 indicates RockTenn Demopolis Mill

Terms & Conditions

All orders are subject to RockTenn Terms & Conditions, and acceptance by our sales office in Demopolis, Alabama. All prices are F.O.B. mill and are subject to change without notice. RockTenn Terms & Conditions available upon request.

Standard Terms

1%-10 days, net 30 days from date of shipment. Freight is not included in discount.

Freight

The lowest applicable rate of freight up to a maximum of \$35 per ton will be allowed.

Manufacturing Policy

A minimum order is 20 tons in one or more calipers, for shipment at one time. All orders are subject to a 100-ton-minimum run of weight and caliper, and subject to a minimum acceptable machine trim.

Differentials

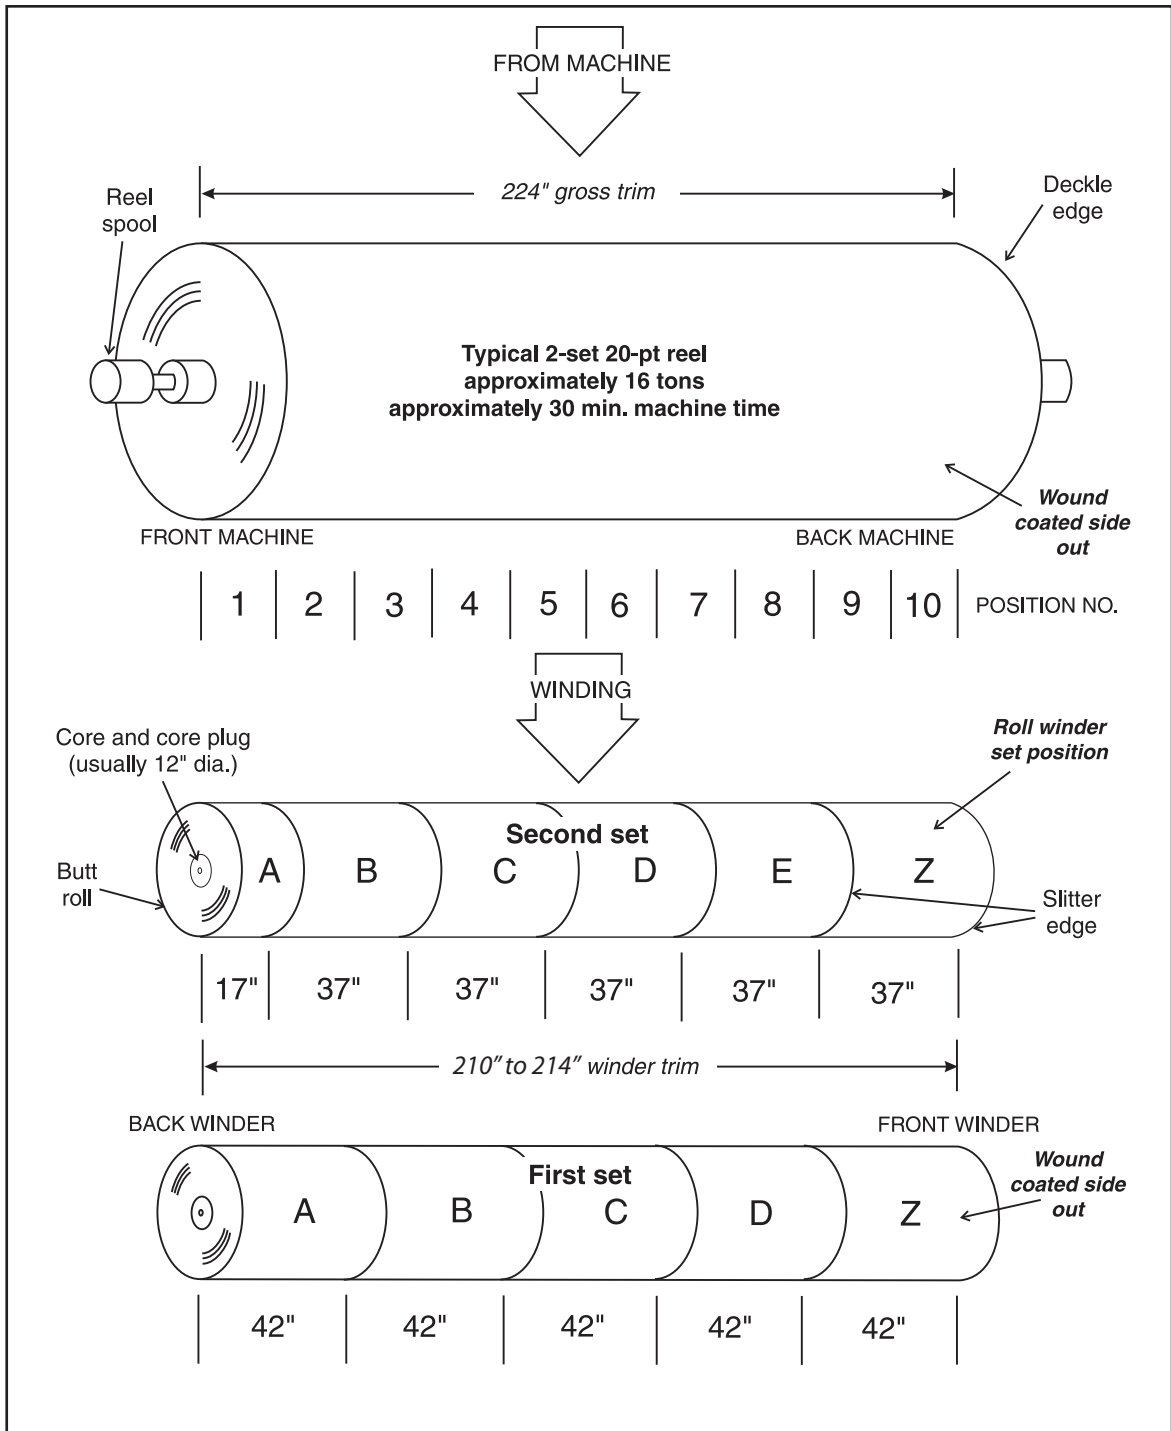

Small-size rolls are those less than 20" but greater than 14" in width, or less than 50" but greater than 40" in diameter.

Overrun / Underrun

We adhere to the following standards; set by the Folding Paper Box Association for overruns and underruns.

- A. 10 tons or less: $\pm 20\%$
- B. 10 tons to 15 tons: $\pm 15\%$
- C. 15 tons to 30 tons: $\pm 10\%$
- D. Over 30 tons: $\pm 5\%$

Roll Winding

Mill Testing Procedures

We operate a fully equipped, 24/7 testing facility to ensure our paperboard both adheres to our exacting standards for quality, and exceeds your expectations.

Complaint Resolution

Damaged Product

Should a paperboard-related problem arise, please provide the following information to Customer Service, or complete the Demopolis Mill Complaint form on page 8.

- ◆ Customer Name
- ◆ Purchase Order Number
- ◆ Mill Order Number
- ◆ Grade and Caliper
- ◆ Roll Number or Roll Label
- ◆ Roll Width or Sheet Size
- ◆ Description of Problem
- ◆ Samples / Photographs showing defects reported
- ◆ Cost Information where applicable

Once entered into our system, you will receive an Acknowledgement Letter providing the next steps and estimated resolution response time. We request that you retain all defective product until we have responded with a resolution.

Delayed Shipments

Should you experience any delay in delivery, contact Customer Service. Your Customer Service representative will initiate shipment tracking and follow up with information regarding the status of your shipment.
