Your Social Security district office will be glad to explain the details of the plan and give you a leaflet which explains what services are covered and how payment is made under the plan.

Once you are enrolled in this plan, you will have to pay a monthly premium to cover part of the cost of your medical insurance protection. The Federal Government contributes an equal amount or more toward the cost of your insurance. Premiums will be deducted from any monthly Social Security, railroad retirement, or civil service benefit checks you receive. If you do not receive such benefits, you will be notified about when, where, and how to pay your premiums. HOW TO REPORT

You can make your reports by telephone, mail, or in person, whichever you prefer.

WHEN A CHANGE OCCURS AFTER YOU RECEIVE A NOTICE OF AWARD, YOU SHOULD REPORT BY CALLING THE APPROPRIATE TELEPHONE NUMBER SHOWN NEAR THE TOP OF PAGE 6.

The law requires that a report of earnings be filed with SSA within 3 months and 15 days after the end of any taxable year in which you earn more than the annual exempt amount. You may contact SSA to file a report. Otherwise, SSA will use the earnings reported by your employer(s) and your self-employment tax return (if applicable) as the report of earnings required by law and adjust benefits under the earnings test. It is your responsibility to ensure that the information you give concerning your earnings is correct. You must furnish additional information as needed when your benefit adjustment is not correct based on the earnings on your record.

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY BEFORE YOU ANSWER QUESTION 21.

If you are under age 65, retirement benefits cannot be payable to you for any month before the month in which you file this claim.

If you are over age 65, retirement benefits may be payable to you for some months before the month in which you file this claim (but not before the month you attain age 65).

If your first month of entitlement is prior to age 65, your benefit rate will be reduced. However, if you do not actually receive your full benefit amount for one or more months before age 65 because benefits are withheld due to your earnings your benefit will be increased at age 65 to give credit for this withholding. Thus, your benefit amount at age 65 will be reduced only if you receive one or more full benefit payments prior to the month you are 65.

Collection and Use of Information From Your Application- Privacy Act Notice/Paperwork Act Notice

The Social Security Administration is authorized to collect the information on this form under sections 202(a), 205(a) and 1872 of the Social Security Act, as amended (42 U S C 402(a), 405(a), and 1395(ii). While it is VOLUNTARY, except in the circumstances explained below, for you to furnish the information on this form to Social Security, no benefits may be paid unless an application has been received by a Social Security office. Your response is mandatory where the refusal to disclose certain information affecting your right to payment would reflect a fraudulent intent to secure benefits not authorized by the Social Security Act. The information on this form is needed to enable Social Security to determine if you and your dependents are entitled to insurance coverage and/or monthly benefits. Failure to provide all or part of this information could prevent an accurate and timely decision on your claim or your dependent's claim, and could result in the loss of some benefits or insurance coverage.

Although the information you furnish on this form is almost never used for any other purpose than stated in the foregoing, there is a possibility that for the administration of the Social Security programs or for the administration of programs requiring coordination with the Social Security Administration, information may be disclosed to another person or to another governmental agency as follows: 1. to enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage 2. to comply with Federal laws requiring the release of information from Social Security records (e.g., to the '~General Accounting Office and the Veterans Administration) and 3. to facilitate statistical research and audit activities necessary to assure the integrity and improvement of the Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security)

The information you provide may also be used without your consent in automated matching programs. These matching programs are computer comparisons of Social Security Administration records with records kept by other Federal agencies or State and local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.
