

Game of Logging Workshop Registration

What to Bring

- Sturdy boots
- Warm clothes
- Lunch and beverages
- Hardhat with eye and ear protection
- Chaps*
- Chain saw** (recommended for Levels II and III)

*Our instructors have a limited supply of chaps available for use during training sessions. Please call in advance if you would like to borrow one of these items. We recommend that you wait on purchasing new equipment until after the first day of training.

** Participants may use the instructor's saw during GOL I and II.

If you're interested in reading more about the Game of Logging Course, visit our instructors' website, www.woodlandtraining.com.

Start Time and Directions to Site

Classes start promptly at 8:00am. Directions to the training site are listed on our website events page, <http://www.familyforests.org/public-education/events.shtml>. Please let us know if you do not have internet access to obtain these directions.

Bad Weather

Classes are held in **most** weather conditions, but will be postponed in extreme conditions. If weather seems threatening, participants should call the VFF office (802 453-7728) early in the morning of the workshop. A recording will let you know if the workshop is postponed or cancelled. If there is no such recording, the workshop is proceeding as scheduled.

We schedule a rain date for most training sessions. Please be sure to book off the rain date as well as the actual course date.

In the highly unlikely event that both the regularly scheduled workshop and the rain date workshop are cancelled, you may either apply your registration fee to another GOL training course offered through Vermont Family Forests, or you may receive a full refund.

Refund Policy

We require payment in full upon registration. You may cancel your registration up to two weeks prior to the workshop date and receive a full refund, less a \$50 administration fee.

Cancellations made less than two weeks prior to the workshop will not be eligible for refund, unless we have someone on a waiting list who can fill your space, in which case you will receive a full refund, less a \$50 administration fee. If a workshop is postponed due to rain, participants are expected to attend the workshop on the scheduled rain date.

In the event that we do not have enough registered participants to cover workshop costs, we will cancel the workshop. In the event of such a cancellation, we will issue a full refund to all registered participants.

Game of Logging Course Registration Form

Be sure to sign and date the form below, indicating that you're read and accept the cancellation policy. *(Please print contact information carefully!)*

Name _____

Street _____

City _____ State _____ Zip _____

Phone (h) _____ (cell) _____

E-mail _____

Course dates: Fall 2014

GOL Level I: Thursday, October 2, 2014
(Rain date: Thursday, October 9, 2014)

GOL Level II: Thursday, October 9, 2014
(Rain date: Thursday, October 16, 2014)

GOL Level III: Thursday October 16, 2014
(Rain date: Thursday, October 23, 2014)

Do you own a chainsaw? yes no

All participants must bring their own hardhat to the workshop.

Will you need to borrow chaps? yes no

Please be sure to book off the rain date as well as the regular course date on your calendar! If the workshop is postponed due to rain, you are expected to be able to attend on the rain date.

Registration Fees: Cost per training level is \$170.

I plan to attend (circle all that apply) Level I (10/2/14) / Level II (10/9/14) / Level III (10/16/14) and enclose payment for \$ _____ (\$170/level).

Please return this page to Vermont Family Forests and enclose a check for payment in full.

Please see the previous page for information about cancellations and refunds.

I have read and accept the cancellation and refund policies detailed on the accompanying information page.

Directions to the workshop site: All GOL workshops will be held at The Waterworks Property which is located on Plank Road in Bristol. From the traffic light in downtown Bristol, head north 0.6 miles on North Street. Turn left (west) and drive 3.5 miles. You will see the Waterworks parking lot on your right (north). We look forward to seeing you at the workshop! Please contact VFF if you have any questions.
