

ASSEMBLY

WASH FILTER
Wash your filter with cold water regularly or as required.

The diagram shows the charging process:

- The power cord is plugged into a wall outlet.
- A battery level gauge is shown with a green arrow indicating the charge level. The gauge has numbers 1 through 12. A green arrow points from 12 down to 3, with "3.5 hrs" written next to it.
- A green oval icon is labeled "FULLY CHARGED".

REGISTER YOUR 2 YEAR GUARANTEE TODAY

The diagram shows the dust bin being inserted into the main unit. A circular callout with the word "MAX" and three horizontal bars indicates the maximum fill level for the dust bin.

Your Dyson handheld vacuum will be covered for parts and labour for 2 years from the date of purchase, subject to the terms of the guarantee.

If you have a query about your Dyson handheld vacuum, call the Dyson Customer Care Helpline quoting the serial number and details of where/when you bought the Dyson handheld vacuum. The serial number can be found on the rating plate which is behind the filter.

Most queries can be solved over the phone by one of our trained Dyson Customer Care Helpline staff.

Visit our website to register your full parts and labour guarantee online (Australia only).
www.dyson.com.au/register

Note your serial number for future reference

This illustration is for example purposes only.

IMPORTANT SAFETY PRECAUTIONS

READ ALL INSTRUCTIONS BEFORE USING THIS APPLIANCE

When using an electrical appliance, basic precautions should always be followed, including the following:

WARNING

TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK OR INJURY:

1. Use only as described in this Dyson Operating Manual. Use only Dyson recommended attachments.
2. Do not use outdoors, on wet surfaces or near a naked flame.
3. Do not use to pick up flammable or combustible liquids, such as petrol or use in areas where they may be present.
4. Do not pick up anything that is burning or smoking, such as cigarettes, matches or hot ashes.
5. Do not use without the clear bin and the filter in place.
6. Children should be supervised to ensure they do not play with the Dyson handheld vacuum.
7. Do not use with damaged cable or plug. If the Dyson handheld vacuum is not working as it should, has been dropped, damaged, left outdoors or dropped into water, contact the Dyson Customer Care Helpline.
8. This Dyson handheld vacuum is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning the use of the Dyson handheld vacuum by a person responsible for their safety.
9. Do not put any object into openings. Do not use with any opening blocked; keep free of dust, lint, hair and anything that may reduce air flow.
10. Keep hair, loose clothing, fingers and all parts of body away from openings and moving parts.
11. Use extra care when cleaning on stairs.
12. Use only the charger supplied with the product to recharge.
13. Do not charge the unit outdoors, in a bathroom or where it may be wet.
14. Do not handle charger, including the charger plug and the charger terminals with wet hands.
15. Do not unplug the charger by pulling on the cable. To unplug, grasp the plug, not the cable.
16. Do not incinerate the Dyson handheld vacuum even if it is severely damaged. The batteries may explode in a fire.
17. Do not use with an extension cable.
18. Unplug the charger from the supply before maintenance.

SAVE THESE INSTRUCTIONS

THIS HANDHELD VACUUM IS INTENDED FOR DOMESTIC HOUSEHOLD AND CAR USE ONLY.

Wash your filter with cold water regularly or as required.

USING THE DYSON HANDHELD VACUUM

CAUTION:

- Dirt and debris may be released from the Dyson handheld vacuum if it is turned upside down. Ensure the Dyson handheld vacuum remains upright in use and storage.
- Do not operate the Dyson handheld vacuum while checking for blockages.

PLEASE NOTE:

- Do not carry out any maintenance or repair work other than that shown in this Dyson Operating Manual or advised by the Dyson Customer Care Helpline.
- This Dyson handheld vacuum is designed for domestic indoor and car use only. Do not use it while the car is in motion or while driving.
- Do not press down on the nozzle with excessive force when using the Dyson handheld vacuum as this may cause damage.
- If the motor overheats, the Dyson handheld vacuum will cut out automatically. Leave it to cool for at least an hour and check for blockages before restarting.
- Fine dirt such as flour or plaster dust should only be vacuumed in very small amounts.
- Consult your flooring manufacturer's recommended instructions before vacuuming and caring for your flooring, rugs and carpet.

TROUBLESHOOTING – DYSON HANDHELD VACUUM

EMPTYING THE CLEAR BIN

CAUTION:

- Switch off the Dyson handheld vacuum and disconnect from charger before emptying the clear bin.
- Empty as soon as the dirt reaches the level of the MAX mark – do not overflow.
- To release the dirt, push the button at the side of the clear bin as shown.

PLEASE NOTE:

- Do not use the Dyson handheld vacuum without the clear bin in place.

CLEANING THE CLEAR BIN

CAUTION:

- Ensure the clear bin is completely dry before replacing.

PLEASE NOTE:

- To remove the clear bin, push the release button on the underside of the Dyson handheld vacuum as shown.
- Use only cold water to clean the clear bin. Do not use detergents, polishes or air fresheners.
- Do not put the clear bin in a dishwasher.

WASHING THE FILTER

CAUTION:

- Switch 'OFF' and disconnect from charger before removing the filter.
- Ensure filter is completely dry before refitting to the Dyson handheld vacuum.

PLEASE NOTE:

- This Dyson handheld vacuum has one filter, located as shown. It is important to check your filter and wash with cold water regularly or as required, to maintain performance. Please leave to dry completely for 12 hours.
- The filter may require more frequent washing if vacuuming fine dust.
- Do not use detergents to clean the filter.
- Do not put the filter in the dishwasher, washing machine, tumble dryer, oven, microwave or near an open flame.

LOOKING FOR BLOCKAGES

CAUTION:

- Switch off the Dyson handheld vacuum and disconnect from charger before looking for blockages.
- Beware of sharp objects when clearing blockages.
- Refit all parts of the Dyson handheld vacuum securely before using.

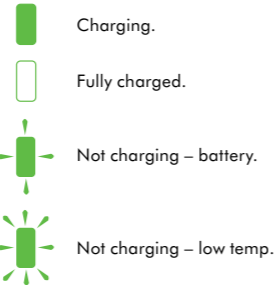

PLEASE NOTE:

- Clearing blockages is not covered by the Dyson handheld vacuum's guarantee. If any part of the Dyson handheld vacuum becomes blocked, it may overheat and then automatically shut off.
- Unplug the Dyson handheld vacuum and leave to cool down. Clear blockage before restarting.

CHARGING AND STORING THE DYSON HANDHELD VACUUM

The Dyson handheld vacuum will turn off if the battery temperature is below 3°C. This is designed to protect the motor and battery of your product. Do not charge the Dyson handheld vacuum and then move it to an area with a temperature below 3°C for storage purposes.

TROUBLESHOOTING – CHARGER

BATTERY SAFETY INSTRUCTIONS

Use only Dyson batteries and charging unit for the Dyson handheld vacuum. The battery is a sealed unit and under normal circumstances poses no safety concerns. In the unlikely event that liquid leaks from the battery do not touch the liquid and observe the following precautions:
Skin contact – can cause irritation. Wash with soap and water.
Inhalation – can cause respiratory irritation. Expose to fresh air and seek medical advice.
Eye contact – can cause irritation. Immediately flush eyes thoroughly with water for at least 15 minutes. Seek medical attention.
Disposal – wear gloves to handle the battery and dispose of immediately following local ordinances or regulations.

CAUTION:

The battery used in this device may present a risk of fire or chemical burn if mistreated. Do not disassemble, short contacts, heat above 140° F (60° C), or incinerate. Replace battery with a Dyson battery only, use of any other battery may present a risk of fire or explosion. Dispose of used battery promptly. Keep away from children. Do not disassemble and do not dispose of in fire.

- The battery must be removed from the Dyson handheld vacuum before it is scrapped.
- The battery is to be disposed of safely.
- The Dyson handheld vacuum must be disconnected from the supply mains when removing the battery.

The symbol  on the product or on its packaging indicates that this product should not be treated as household waste. Instead it should be handed over to the applicable collection point for the recycling of electrical and electronic equipment – this may be your local civic amenity site product. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and for human health, which could otherwise be caused by inappropriate waste handling of this product. For more detailed information about recycling of this product, please contact the Dyson Customer Care Helpline, your local authority civic amenity site product.

2 YEAR GUARANTEE - TERMS AND CONDITIONS

To help us ensure you receive prompt and efficient service, please register as a Dyson owner. There are three ways to do this:

- Online (Australia only) at customercare@dyson.com.au
- By calling the Dyson Customer Care Helpline.
- By completing and returning the enclosed form to us by mail. This will confirm ownership of your Dyson handheld vacuum in the event of an insurance loss and enable us to contact you if necessary.

DYSON CUSTOMER CARE

If you have a query about your Dyson handheld vacuum call the Dyson Customer Care Helpline and quote your serial number or contact us via the Dyson website. The serial number can be found on the main body of the handheld vacuum behind the filter.

Most queries can be solved over the phone by one of our Dyson Customer Care Helpline staff.

If your Dyson handheld vacuum needs a service, call the Dyson Customer Care Helpline so we can discuss the available options.

SUMMARY OF COVER

Terms and conditions of the Dyson 2 year guarantee.

- The guarantee becomes effective from the date of purchase.
- All work will be carried out by Dyson Appliances (Aust) Pty Ltd, Avery Robinson Ltd (New Zealand).
- Any parts replaced will become the property of Dyson Appliances (Aust) Pty Ltd.
- The repair or replacement of your Dyson handheld vacuum under guarantee will not extend the period of guarantee.
- The guarantee provides benefits which are additional to and do not affect your statutory rights as a consumer.
- You must provide proof of purchase before any work can be carried out on your Dyson handheld vacuum. Without this proof, any work carried out will be chargeable. Please keep your receipt.

WHAT IS COVERED

- The repair or replacement of your Dyson handheld vacuum if your vacuum cleaner is found to be defective due to faulty materials, workmanship or function within 2 years of purchase (if any part is no longer available or out of manufacture, Dyson will replace it with a functional replacement part).

WHAT IS NOT COVERED

Dyson shall not be liable for costs of repair or replacement of a product incurred as a result of:

- Normal wear and tear.
- Industrial use of the Dyson handheld vacuum such as vacuuming gyprock dust or builders dust may void your guarantee.
- Accidental damage, faults caused by negligent use or care, neglect, careless operation or handling of the Dyson handheld vacuum which is not in accordance with this Dyson Operating Manual.
- Blockages – please refer to the Dyson Operating Manual for details on how to unblock your Dyson handheld vacuum.
- Use of the Dyson handheld vacuum for anything other than normal domestic purposes.
- Use of parts not assembled or installed in accordance with the instructions of Dyson.
- Use of parts and accessories other than those produced or recommended by Dyson.
- External sources such as transit damage or weather.
- Repairs or alterations carried out by parties other than Dyson or its authorised agents.
- If you are in any doubt as to what is covered by your guarantee, please call the Dyson Customer Care Helpline on:
Australia 1800 239 766
New Zealand 0800 397 667
Indonesia 021 707 39766
Singapore 7000 435 7546

ABOUT YOUR PRIVACY
