# 3rd World Congress ON PEDIATRIC TRANSPLANTATION

## PRESIDENT'S MESSAGE

On behalf of the Council of the International Pediatric Transplant Association and the Local Organizing Committee for our 3rd Congress, I would like to welcome you to Innsbruck, Austria.

Once again, we have planned a stimulating Scientific Program incorporating recent advances in the field of Immunobiology and Pediatric Solid Organ Transplantation, including topics related to adolescent transition and long term outcome.

We have a new innovation this year which is a Postgraduate Course organized by Dr. Simon Horslen and Dr. Richard Trompeter, specifically designed for trainees and allied health professionals.

We invite you to be an enthusiastic participant, not only in the scientific sessions but in the excellent social program devised by our hosts.

Welcome to Innsbruck and I look forward to meeting you all there.

### **Deirdre Kelly**

## OVERVIEW OF 3RD CONGRESS OF THE IPTA

A variety of formats are planned to encourage the exchange of new scientific and clinical information and support an exchange of opinions regarding care and management issues relevant to organ and tissue transplantation in children. This Congress will:

- Highlight the most recent advances in clinical and basic sciences related to pediatric transplantation.
- Provide a forum for exchange of new scientific and clinical information relevant to pediatric solid organ and tissue transplantation.
- Create an arena for the interchange of ideas regarding care and management of pediatric organ and tissue transplant recipients.
- Facilitate discussions of the socioeconomic, ethical and regulatory issues related to pediatric solid organ, tissue and cell transplantation.

Scientific material will be presented through symposia, oral abstracts, small group sessions designed for in-depth exploration of both clinical and basic science topics, and poster presentations.

### Educational Objectives

*The objective of this activity is to help you understand, examine and discuss:*

- The latest advances in transplantation research, both clinical and basic;
- The newest technologies in immunology and transplant research;
- Clinical tolerance protocols;
- Long-term complications following transplantation;
- New and emerging infections in transplantation;
- Perspectives in immune tolerance;
- Up-to-date data from various registries;
- Steroid avoidance and minimization of immunosuppression;
- The challenges of transplantation in developing countries;
- Strategies to prevent infection post-transplantation;
- The future of cell transplantation;
- The role of B-cells in transplantation;
- New and emerging immunosuppressive agents

### Target Audience

This meeting is designed for physicians, surgeons, nurses, coordinators, and allied health professionals who are interested in the clinical and research aspects of pediatric solid organ, tissue, and bone marrow/stem cell transplantation.

## CONGRESS FORMAT

*The most current science and research will be presented in the following formats:*

### State-Of-The-Art Presentations

The Scientific Advisory Committee has invited leaders in the field to share their expertise in transplantation medicine. The State-of-the-Art Presentation topics include: Transplantation Tolerance, Challenges of Transplantation in Developing Countries, the Role of B Cells in Transplantation, Future of Cell Transplantation, Emerging Infections in Transplantation, and Immunosuppressive Agents.

### Plenary Sessions

The speakers have been chosen from among the most prominent investigators in each field. The chairs are pre-eminent members of the transplant community.

### Oral Abstract Sessions

Listen to our top abstract scorers present their theories and supporting research. A total of three plenary oral abstract sessions and six concurrent oral abstract sessions have been scheduled.

### Poster Sessions

The Poster Sessions are an important and indispensable educational event of this meeting. View outstanding science encompassing a multitude of topics with ample opportunity for discussion with authors.

Posters Session Schedule:

- 
**Session I: Sunday, August 7, 2005**  
 Viewing time: 8:00 AM – 6:30 PM  
 Presenters in attendance: 5:30 PM – 6:30 PM  
 Supported by Roche Pharmaceuticals
- 
**Session II: Tuesday, August 9, 2005**  
 Viewing time: 8:00 AM – 5:00 PM  
 Presenters in attendance: 3:45 PM – 5:00 PM  
 Supported by Astellas

A wine and cheese reception will accompany each of the poster sessions.

### Mini-Oral Abstract Luncheon Sessions

Two Mini-Oral Abstract Luncheon Sessions provide an additional opportunity for high scoring abstracts, selected for poster presentation, to be verbally presented. These popular and educational sessions run Sunday and Tuesday, August 7th and August 9th from 1:00 PM – 2:00 PM.

### Lunches

Due to tight scheduling we recommend that attendees pre purchase lunch. Plated lunches will vary day to day and there will be a vegetarian option available. Items offered may include meats, poultry, fish, cheeses, vegetables and sweets. A half liter drink is also included. Please be sure to purchase a luncheon ticket by completing the luncheon section on the registration page.

### Parallel Interactive Workshops

Parallel Interactive Workshops are designed to be small working discussion sessions, with a limited number of attendees in each session. Registration will be handled on a first-come, first-serve basis. When a session is filled, registration will be closed. In most cases, there will be no availability on site, so register early. Interactive workshops will be held on Sunday, Monday and Tuesday. See program pages for the topics being offered.

## POST-GRADUATE COURSE

### Fundamentals of Pediatric Transplantation

The Scientific Advisory Committee is proud to introduce this new Post Graduate Course to the 2005 program. The Post Graduate Course will focus on the fundamentals of pediatric transplantation. Pediatric transplant experts in both science and clinical care will cover the basic science of this topic as well as the latest developments. For attendees wishing to review various issues related to pediatric transplantation, be sure to register for this event. The Post Graduate Course begins Saturday, August 6th at 8:30 AM and ends at 3:30 PM.

## **SOCIAL EVENTS**

The following events are included with your registration:

### **Saturday, August 6, 2005, Opening Ceremony and Reception**

Welcome to the 3rd World IPTA Congress! Please join us for the welcome address, libations, and hors d'oeuvres in Hall Tirol. Seize the opportunity to mingle with colleagues and celebrate your first evening in Innsbruck. A special appearance by Heinz Zak, world renowned alpine climber and photographer, who will give a spectacular insight into alpine climbing.

### **Sunday, August 7, 2005, Traditional Evening - Branger Alm Dinner Event**

Embark on a Tyrolean experience! A bus will take us along the Inn River to a small village situated 11 km to the west of Innsbruck. Our destination is The Branger Alm, a brewery which specializes in Austrian beer and traditional Austrian cuisine. You will have the opportunity to listen to authentic Austrian music and of course to sample true Austrian fare. You will be captivated by the Tyrolean way of life!

### **Monday, August 8, 2005, Organ Concert**

**Venue:** Hofkirche Church

This evening will not be the usual social evening: We want to offer you something truly special! Be enchanted by an organ concert in the ambience of a 16th century church located a short walk from Congress Innsbruck. Enjoy musical masterpieces from the Renaissance and early Baroque periods performed by a virtuoso organist, Michel König, playing on a historical organ that dates back to 1558. The Court Church (Hofkirche) was built in the 16th century to house the funeral monument of Emperor Maximilian I. It is also known as the "Church of the Black Men" because this monument consists of 28 bronze statues bigger than life-size. Tickets for this event are limited. Tickets will be issued on a first come first served basis. No adjustment in registration fees will be offered if this event is sold out.

### **Tuesday, August 9, 2005, Gala Dinner**

The Dinner will be held in the famous Dogana Hall of the Congress Innsbruck. The Dogana was part of a huge Renaissance building dating back to the 16th century. Dine on sumptuous Austrian cuisine and sip wines chosen to complement and enhance the evening's festivities. Unwind, enjoy, and celebrate with traditional Viennese music and dance.

## **EXHIBITS**

The technical and pharmaceutical exhibits will be located in the pre-function area of Congress Innsbruck. Companies will display their products and services related to pediatric transplantation. Exhibit hours and information will be provided in the final program.

## **CME ACCREDITATION**

### **American Physicians**

The American Society of Transplantation (AST) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for American physicians. This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for continuing Medical Education (CME) through the joint sponsorship of the AST and IPTA.

A maximum of 34.25 hours in category 1 CME credits towards the AMA Physician's Recognition Award will be offered at this meeting. CME applications will be available at Registration. Each physician should claim only those credits that he/she actually spent in the educational activity. For more information please contact IPTA CME Administrator, Renee Asp, at AMEDCO at 1-800-736-6262 within the USA or renee@cmehelp.com.

### **European Physicians**

IPTA will award European Physicians continuing medical education credits through the Austrian Medical Association. A maximum of 24 credits will be available for the IPTA 3rd Congress.

### **Certificate of Attendance**

A certificate of attendance will be made available at the registration desk and may be requested by any registered attendee.

### **Full Disclosure Policy**

All faculty and program organizers participating in the continuing medical education programs sponsored by the International Pediatric Transplantation Association are expected to disclose to the program audience any real or apparent conflict(s) of interest related to the content of their presentation(s) or planning. Full disclosures will be made available at the conference.

## GENERAL INFORMATION

### Location

Innsbruck, famous for not once, but twice hosting the Winter Olympics, is the capital of Tyrol. It is a quaint city and has earned the name, "Treasure of the Alps." Nestled in the valley of the Inn River, tucked between the northern Alps and the Tuxer mountain range, it is the only major city in the European Alps. Nowhere else can you witness such a breathtaking view of the jagged icy peaks and escarpments of the main Alpine range gleaming in the distance under the sunlight.

This Alpine town is a living treasure-house filled with 800 years worth of history, rich tradition, and a wealth of epic stories. One's senses cannot escape the notable medieval architecture or the pleasant aroma of fresh baked apple strudel while strolling through old-world alleys and picturesque cobblestone streets embracing a fusion of Innsbruck's past and present.

Innsbruck is a unique blend of sophistication and charm. Enjoy the finer luxuries of the Tyrolean way of life. Indulge your senses with classic or contemporary musical masterpieces, time-honored Austrian delicacies, traditional or experimental theatre, opera, exhibitions, concerts, famous coffee houses or traditional wine taverns also known as "Heurige."

A unique combination of culture, history and nature unequalled anywhere else in the world, Innsbruck is truly the "Treasure of the Alps."

### Getting to Innsbruck

**AIRPORT** For the most convenient travel to the conference we recommend that IPTA attendees choose one of the three airport suggestions: Innsbruck, Salzburg, or Munich.

Innsbruck has its own airport, located about 3 km from the city center which can be reached either by public bus or by taxi. From many international airports within Europe, such as Vienna, Amsterdam or Frankfurt, there are several daily flights to Innsbruck. Furthermore, there is a direct connection from London Gatwick three times each week. However, you are advised to make early bookings since flights to Innsbruck only have a limited number of seats.

**From Munich** One of the fastest and least expensive ways to get to Innsbruck is by landing at Munich Airport. This airport is located about 180 km or a scenic two hour drive from Innsbruck. From Munich Airport IPTA has organized a discounted rate for bus service through Four Seasons Travel Agency. To receive the discounted one-way rate of €35 you must make your reservation online and type **IPTA in the "booking code" window**. Make your transfer service reservation as follows:

[www.airport-transfer.com](http://www.airport-transfer.com)

Click on "secure booking"

Complete form and insert IPTA in the "booking code" section to receive the discount

Contact **Four Seasons Travel** 24 hour telephone support line (43) 512-584-157, or Fax (43) 512-585-767, or Email: [office@airport-transfer.com](mailto:office@airport-transfer.com).

### Official Airline

Austrian, Austrian Arrows, and Lauda are the official carriers for our event. They offer the most frequent flights to and from Austria. Please contact Crystal Travel ([Kevin@crystal-travel.net](mailto:Kevin@crystal-travel.net)) or your nearest Austrian Airlines office or travel agent where you will receive information on flights and fares.

Attendees of the IPTA 3rd World Congress and one accompanying person will benefit from favorable "Congress Fares" on Austrian, Austrian Arrows and Lauda flights, excluding certain reduced and action fares. Attendees booking through the special congress program can receive an average tariff reduction of 10% of the applicable published fares (including Apex and Pex).

The "Congress Fare" cannot be used cumulatively with other reduced fares, such as spouse fares, special kombi-tariffs in L- and T-booking-class and tariffs for students, youths, senior citizens etc.

To take advantage of this offer, please identify yourself as a participant of the IPTA congress by referring to **CODE – IPTA5**. If your ticket is issued at a travel agency, please ask your agent to contact his/her Austrian Airlines office and use the code, IPTA5 to receive the discount for you.

Visit [www.austrianairlines.com](http://www.austrianairlines.com) for flight information.

## GENERAL INFORMATION (continued)

**RAIL** Innsbruck railway station has good Intercity and Eurocity connections to Zurich (3.5 h), Munich (2 h), Vienna (5 h) or Bolzano (2 h). The main railway station is close to the downtown area (15 min walk to Congress Innsbruck). **For information on train schedules please refer to [www.oebb.at](http://www.oebb.at).**

**CAR** Innsbruck is easily accessible through either the Inntal-Autobahn (A12) or the Brenner Autobahn (A13). Street signs indicate the way to the Congress Innsbruck.

### Official Invitation

Official letters of invitation may be issued to help overcome the administrative requirements of some countries. Letters will be sent upon request. To receive a letter, e-mail [pmcfadden@ahint.com](mailto:pmcfadden@ahint.com). It must be understood that such letters do not represent a commitment on the part of the Scientific Committee, IPTA, or the Congress to provide financial assistance or to accept submitted abstracts.

2677 m / 8.783 ft.

### Congress Venue

Congress Innsbruck was voted Congress Center of the Year by the AIPC (Association Internationale des Palais des Congrès), thus confirming its state-of-the art status. Modern architectural elements and innovative congress technology create an impressive conference environment. With its fifteen halls totaling 20,000m<sup>2</sup> of floor space, Congress Innsbruck hosts 350 to 400 events per year, for an estimated 400,000 visitors. Congress Innsbruck is the biggest operator in the Austrian meetings industry outside Vienna.

### Speaker Ready Room

There will be a Speaker Ready Room for presenters located in the New Orleans room on the 3rd floor of the Congress Innsbruck Center. The Speaker Ready Room will be open during the following hours:

- 🕒 Saturday, August 6 7:00 AM - 6:30 PM
- 🕒 Sunday, August 7 7:00 AM - 6:30 PM
- 🕒 Monday, August 8 7:00 AM - 6:30 PM
- 🕒 Tuesday, August 9 7:00 AM - 2:30 PM

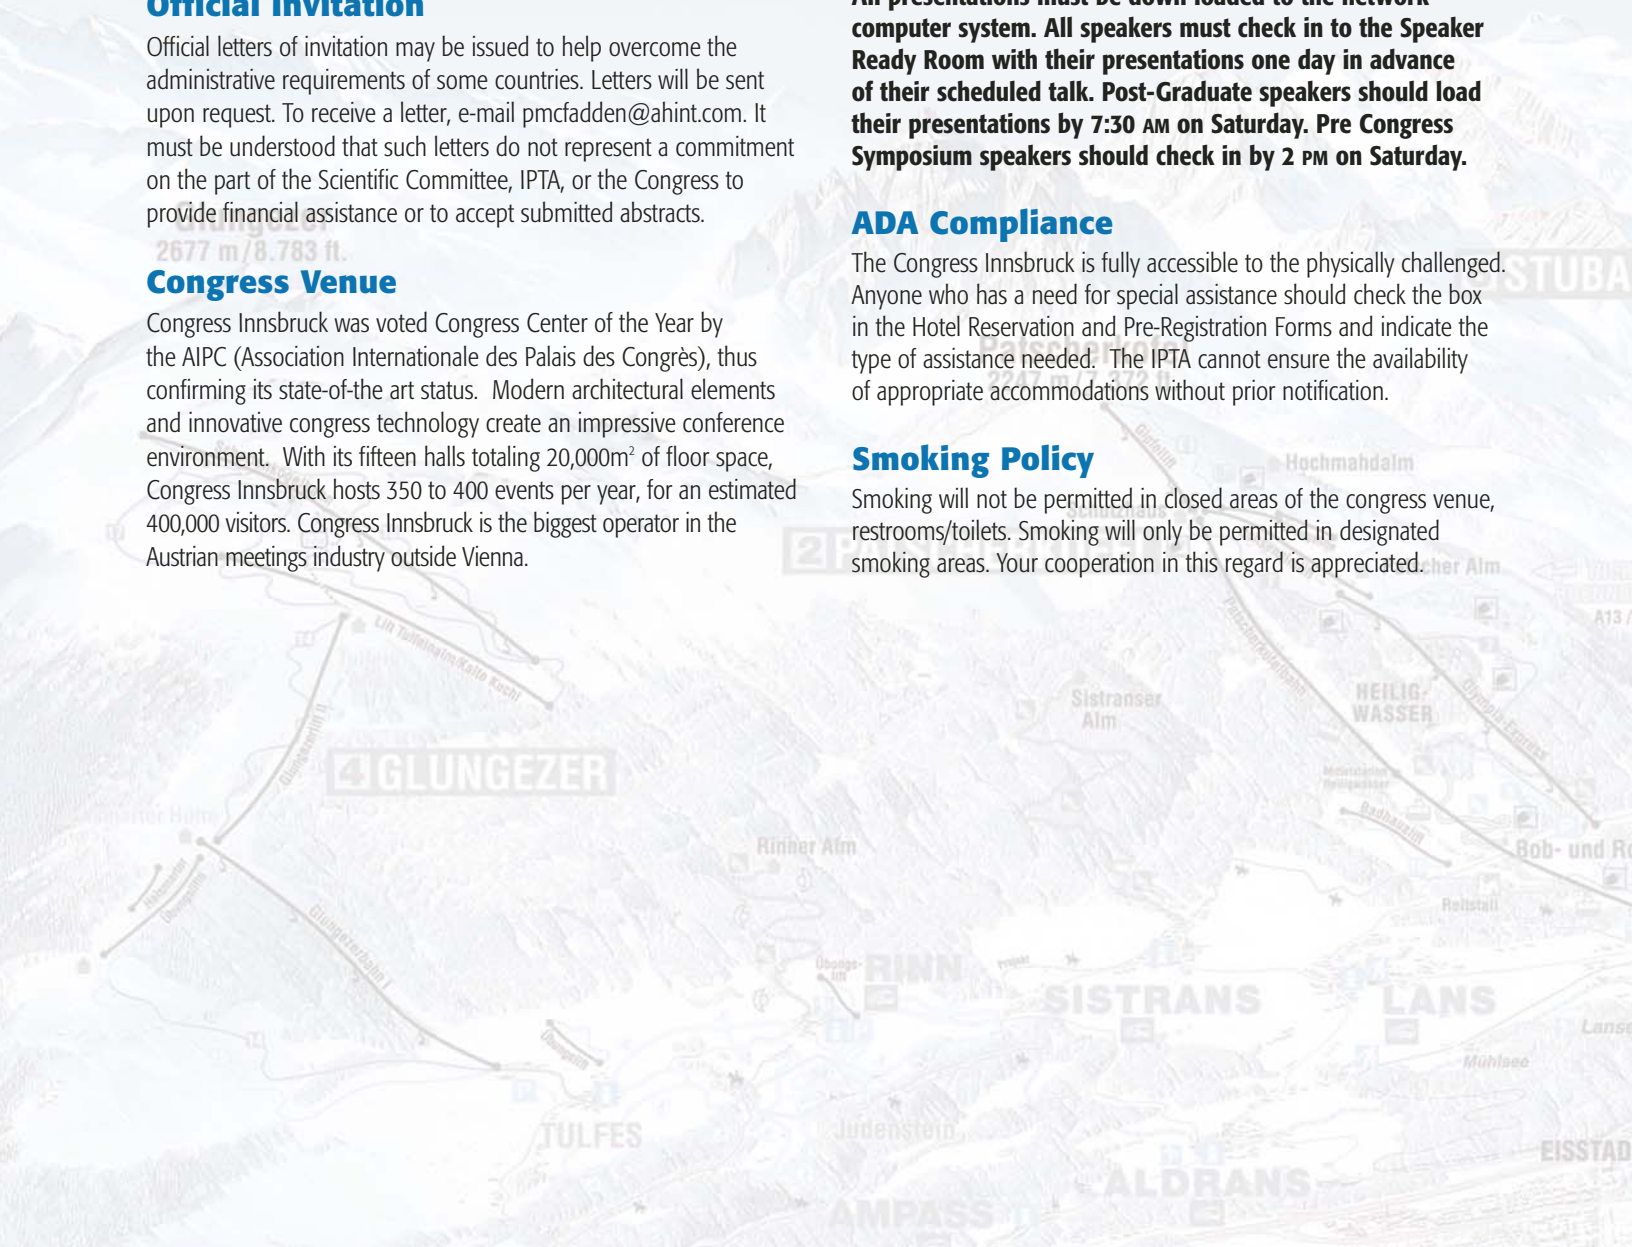

**All presentations must be downloaded to the network computer system. All speakers must check in to the Speaker Ready Room with their presentations one day in advance of their scheduled talk. Post-Graduate speakers should load their presentations by 7:30 AM on Saturday. Pre Congress Symposium speakers should check in by 2 PM on Saturday.**

### ADA Compliance

The Congress Innsbruck is fully accessible to the physically challenged. Anyone who has a need for special assistance should check the box in the Hotel Reservation and Pre-Registration Forms and indicate the type of assistance needed. The IPTA cannot ensure the availability of appropriate accommodations without prior notification.

### Smoking Policy

Smoking will not be permitted in closed areas of the congress venue, restrooms/toilets. Smoking will only be permitted in designated smoking areas. Your cooperation in this regard is appreciated.

August 6 – 9, 2005  Innsbruck, Austria

## INNSBRUCK LOCAL INFORMATION

### Weather and Climate

Summers are generally warm and pleasant with cool nights.

The average high is 82°F and the average low is 60°F. All meeting space will be air conditioned so please remember to bring a light sweater for your comfort.

### Electricity

Many of the Hotels in Austria carry 110 v – 60 Cycles in the bathrooms for bathroom appliances (adaptors are usually available to all hotel guests) and 220 v – 60 Cycles in other areas of the suites and hotel facilities. The wall sockets with 220v take the Continental, two-pin plugs.

### Telephone

The Country Code for Austria is 43. The City Code for Innsbruck is 512.

### Language

English is the official language of the Congress. The language spoken in Austria is German. In the tourism industry, English is commonly used.

### Currency

The Austrian currency is the Euro (EUR). Travelers' checks are also widely accepted and can be changed for a small commission at banks, post offices and exchange bureaus.

### Credit Cards

All major international credit cards are accepted in Innsbruck. MasterCard is the most widely accepted.

## **SIGHT SEEING IN INNSBRUCK**

Tours are not organized by IPTA. The following is a sample of things to do and see in Innsbruck.

**Listed below is a sampling of excursions available through Innsbruck Tourism Office...**

### **Swarovski Crystal Worlds**

A bus will take you to the Swarovski Crystal Worlds. Through the huge water-spouting head of a botanic giant the visitor enters the mostly subterranean, unique magic World of Crystal (idea and artistic supervision by André Heller, the famous Austrian performance artist). You have to experience yourself what is hard to describe: a view of the surreal landscape of a glittering galaxy, the inside of a gigantic crystal dome with changing patterns of light and sound, bizarre scenarios - a world of magic.

### **Alpine Fauna – Walk to the Alpine Zoo**

Starting with a leisurely 30 min walk to the Alpine Zoo. The zoo is located on a sunny-facing slope of the Nordkette Mountains and offers magnificent views of the city. The zoo itself, with its fine grounds and attractive quarters for the birds, bears, lynxes, reptiles and other animals, is a unique collection. Visitors have the opportunity to see 150 different species and more than 2,000 animals.

### **Summer on the Stubai Glacier**

In summer, the Stubai glacier presents a different side with both hikers and skiers enjoying its beauties. After a drive through the picturesque Stubai valley to the Stubai Glaciere, take a gondola to the glacier, situated at a height of 3,000m. If the weather is fine you will embark on a 45 min walk to the "Eisgrat" (ice ridge). The spectacular view from up there is truly unforgettable. Please note: It is advisable to take sturdy shoes and a warm sweater with you.

### **Guided Hiking Tour on the "Zirbenweg"**

Departure from Innsbruck by coach to the winter and summer sports resort 5km from Innsbruck. A cable car takes you up to the Patscherkofel Mountain (2.000 m above sea level). From up there you will enjoy a marvellous view of the Inn valley below and they take a hiking tour through the most beautiful stone pine forest in the Alps to the "Tulfeiner Alm" mountain hut. Walking time is approx. 2.5 hours. The hike is suitable for children from the age of 8 and for adults of any age. Equipment: Hiking shoes or sturdy shoes, sweater, rain coat, sun glasses.

### **Churches and Monasteries in the Tyrol**

This tour first takes you to Volders, 14 km away from Innsbruck, a village embedded in meadows, forests and mountains of the lower Inn valley. In Volders, you will have a closer look at the Karlskirche – Church of Charles - which was built in 1650 in honour of Saint Bartholomew. The mosaics depict the founding of the church. Back to the Middle Ages you will visit Tratzberg Castle, it is still inhabited by count Enzenberg. The original furniture from the 15th and 16th centuries is displayed.

### **Medieval Cities and Castles in South Tyrol**

This tour will take you over the Europe Bridge (altitude 190m) and across the Brenner Pass. At the point where the Eisack and the Rienz rivers converge, lies the town of Brixen, more than 1000 years old, with its panoply of ancient lanes and houses, arcades and bridges. There are also churches, the cathedral, the cloister, with its unique Gothic frescos. The architecture of the landscape is determined by vineyards and fruit orchards.

**For a complete listing of available excursions, to obtain information about Innsbruck and the surrounding areas, or to make a reservation, visit Innsbruck Tourism Bureau at: [http://www.innsbruck-tourismus.com/index.html?\\_lang=en&\\_b=129027&\\_m=12](http://www.innsbruck-tourismus.com/index.html?_lang=en&_b=129027&_m=12)**

These excursions are not operated by IPTA.

## REGISTRATION INFORMATION

### Registration Fees

	On or Before June 30	After June 30
IPTA Member	US\$ 350	US\$ 450
Non Member	US\$ 595	US\$ 695
Trainee Member	US\$ 200	US\$ 250
Trainee Non Member	US\$ 300	US\$ 350

**The IPTA offers a discounted registration fee if you register by June 30, 2005.**

Registration forms, including complete payment, must be received by June 30, 2005 to qualify for the early registration discount. Pre-registration is strongly recommended for those who wish to ensure their first choice for Interactive Workshops. Additionally, pre-registration ensures timely processing of your registration and helps avoid lengthy on-site lines.

**Members of IPTA can register for the meeting at reduced rates.** You can become a member of IPTA and register at the reduced registration rates by completing the Membership Application in this brochure and submitting them with membership payment along with your registration form. Or, if you are registering online, complete a membership application first, then register for the congress as a member. As a member of the IPTA you will receive a subscription to the journal, *Pediatric Transplantation*.

### Web Registration

Registration for members and non-members may be submitted via the IPTA website, [www.IPTAonline.org](http://www.IPTAonline.org). Registrations submitted on-line are not considered complete until processed. A detailed confirmation will be e-mailed to you prior to the meeting.

### Confirmation of Registration

Confirmation of your registration will be emailed prior to the meeting. You can pick up your badge and other meeting materials when you arrive at the meeting.

### Payment

Acceptable forms of payment include: checks made payable to IPTA (drawn on a U.S. bank in U.S. dollars), VISA, MasterCard, and American Express. Full payment must accompany all registration forms. Registration forms without accompanying full payment will be returned for completion. Registrations will not be processed without payment. Payment for online web registration can only be made by credit card.

### Cancellations/Refunds

To cancel your registration and receive a refund, a written request must be received in the IPTA office by July 29, 2005. Cancellation requests received by this date will receive a refund minus a \$50.00 processing fee. **Requests will be processed after the meeting.** There will be no refunds issued for requests received after July 29, 2005.

### Accompanying Persons

Tickets for accompanying persons can be purchased at the time you register. Tickets will provide attendance at the Welcome Reception, the Branger Alm dinner event and the Gala Dinner. A fourth event is available on a first come first served basis. This is a special organ concert at the beautiful Hofkirche Church. No adjustment in payment will be made to those not receiving a ticket to the concert event due to a sold out situation. Tickets for admittance to all events for accompanying persons age 12 to adult are US\$150, for children 5 and those who have not celebrated their 12th birthday US\$50. See a full description of the social events on page 12.

Hotel room rates are per room/per night and include breakfast each morning, hotel service fee and all taxes.

Hotel Accommodation will be made on your behalf at a hotel in the category that you specify. Please send in your reservation form as soon as possible as the number of rooms available in Innsbruck is limited at this time of the year. Allocation of rooms will therefore be done on a "first come, first served" basis.

Please indicate your preference by checking the appropriate box.
