Questions: mulherin@labschool.org

By nature a ski trip requires the independence of participants. While the school will have a number of chaperones both skiing with the students and staying in designated locations, participants **will not** be under constant supervision.

This trip requires a minimum of 30 participants to ensure the package pricing above. In the event of low student interest the trip will be canceled and all monies refunded.

In the event of severe or adverse weather conditions the trip will be rescheduled for Thursday, February 19th.

Microwave Free Tuesday!

Go Green! As our Green Cup Competition continues at BLS, the Middle School students ask you to unplug your microwave on Tuesday, January 31, 2012 to save on energy use. Help the Green Cup challenge and participate in Microwave Free Tuesday!

BLS Students in Polar Bear Plunge

BLS High School students, Elan S. and Kyle J., will take part in the 2012 Polar Bear Plunge on 1/28/12 benefitting The Special Olympics. They will be representing Baltimore Lab School. If you are interested in sponsoring their plunge please go to: http://plungemd.com/sponsor_a_plunger.shtml
