		M2 : BioMechanics (BioMECH) <i>Impact and Injury Mechanisms (I2M)</i> <i>Musculoskeletal System (MS2)</i> <i>Biofluid and the Cardiovascular System (BCS)</i> <i>Clinical Biomechanics (life science students) (CBM)</i>
		M2 : Molecular and Cellular Biotherapies (MCB)
		M2 : Bioengineering and Innovation in Neurosciences (BIN)

Personal Information

Title (Mr, Mrs, Miss, Dr,...) *

Last name (family name) *

First name *

Gender *

Valid email address (for correspondence) *

Phone *

Date of birth (yyyy-mm-dd) *

City of birth *

Country of birth *

Citizenship *

N° Social Security (French Students)

N° INE (French students)

ID or passport number*

Address*

Street address:

City:

Postal code:

Country:

Education

Don't forget to provide certified copies of all diplomas listed below (mandatory).

Main field(s) of Undergraduate Education ? *

Physics
Mathematics
Chemistry

Biology
Biochemistry
Biotechnology

Medicine
Pharmacy
Engineering

Other, please specify:

Home Institution *

Secondary school diploma (baccalauréat or equivalent) *

Graduation year:

Specialization:

Ranking/Honors:

College and University*			
Degree obtained	University	City / Country	Year

Academic Referee: Name and address of two academic referees, including phone number and email address (*provide their letter of recommendation*) *

Referee 1:

Referee 2:

Additional education (if applicable)

Internships and Professional Experience

List here three of your previous industrial or academic trainings/positions in relation with the thematic of the master, starting by the most recent one.

Period (from...to...)	Institution	Work (describe briefly the work performed)

Languages

English is mandatory, since all courses are in English.

What is your mother tongue ? *

French

Have you studied French ?
(Yes/No)

If you have, for how long ?

Have you followed an academic program in French ? (Yes/No)

If yes, when and for how long ?

Do you hold a French language certificate ? (Yes/No)

What was your score (please enclose the photocopy of the score sheet) ?

Please evaluate your level in French (from 0 to 5, 5=bilingual)

Reading comprehension	Conversation	Technical French
<input type="text"/>	<input type="text"/>	<input type="text"/>

English*

Have you studied English (unless mother tongue) ? (Yes/No)*

Do you hold an English language certificate (TOEFL, TOEIC...) ? (Yes/No)*

What was your score (please enclose the photocopy of the score sheet) ?

Have you followed an academic program in French ? (Yes/No) *

If yes, when and for how long ?

Ability to follow technical courses in English after refresher courses? (Yes/No) *

Do you wish to take foreign language courses and if yes, for which language? (French / English / Other language)

What is your proficiency level in this language (beginner, intermediate, advanced)?

Apart from your mother tongue and English, what other languages do you speak ? Please evaluate your level (Basic / Middle / Fluent)

Additional skills

Other qualifications (For instance : Software and programming languages (finite element codes, etc.) *

Complementary information regarding your application

Are you applying for other postgraduate program(s) ?* (Yes/No)
If yes, which one(s)?

Financial support fellowships & grants (if any)

How will you finance your studies and your stay
in France?

Personal or familial resources (Yes/No)

I have obtained a grant/fellowship* (Yes / No / decision pending)
If yes, please specify its source, amount and duration:

I plan to work part-time* (Yes/No)

Have you applied for a scholarship ?* (Yes/No)
If yes, please indicate the institution you have contacted:*

Our Master program offers financial support for
international students, based on academic
excellence. Would you like to apply for it?*

(Yes/No)

Indicate here all official grant(s) you previously received*

Personal Statement

Outline the main motivations for you application to the BME-Paris Master program* (*part of the mandatory personal statement letter*)

Professional career plan, targeted companies/laboratories, topics of special interest. Detail in particular your post-master plans: Phd / work in R&D department / other). * (part of the mandatory personal statement letter)

Source of Information

How did you hear about the BME-Master program * (select one response)

Forum, Web-site	Contact with a professor	Other

Publications (if any)

List here eventually all abstracts/articles where you appear and a co-author and which were published in peer-reviewed scientific journals or conferences

Scientific interests and desired special focus during the Master

Describe the type of laboratory and research topics you would like to work on during your Master studies and your internship. *
