

Historical – Comparative Economic Study Information Form

Please review the sample study prior to ordering. If you have questions call 772-781-5559.

Study Fee: \$4,900.00 including five comparison areas.

Name of Organization: _____
 Street Address: _____
 City: _____
 State: _____
 Zip: _____
 Contact Name: _____
 Contact Email: _____
 Contact Telephone: _____

The geographic area for the study can be any metropolitan area, micropolitan area, or county. Sorry, data is not available for a city.

If the area is a metropolitan statistical area, it will be compared to and ranked against the 366 metropolitan statistical areas. If it is a micropolitan area, it will be ranked against the 576 micropolitan areas.

If it is a component county of a metropolitan area, it will be ranked as if it was a metropolitan area. If it is a component county of a micropolitan area, it will be ranked as if it was a micropolitan area.

If it is a county which is not part of either a metropolitan or micropolitan area, it will be ranked as if it is a micropolitan area.

Principal Geographic Area for the study: _____

Section 3 of the study provides for growth comparisons and rankings for more than 70 industrial and economic issues. The study automatically includes comparisons for the following:

USA
 USA MET (the metropolitan portion of the nation – all MSA's and MicrSA's)
 USA NONMET (all areas not in any MSA or MicrSA)
 Your State
 Your Area

You may choose five comparison areas which can be any MSA, MicrSA, or single county.

Comparison Area 1: _____
 Comparison Area 2: _____
 Comparison Area 3: _____
 Comparison Area 4: _____
 Comparison Area 5: _____

The *Historical – Comparative Economic Study* will be delivered in PDF format via email. It is formatted for “duplex” printing. While created in color, it reads well in black and white.
 Allow three weeks for delivery of the study.
