*It's more than money
It's about healthy, happy children with a positive future*

The following pages include an explanation of services provided by Cherokee Nation Child Support Services, an application and a reminder sheet of items you must submit with your completed application. It looks like a lot of information, but everything in this packet is important. Without a complete application, we cannot start to help you and your child or children. If you need assistance in completing the application, please feel free to call the main office and ask to visit with an intake worker. you may also schedule an appointment with an Intake worker and they will be happy to help you complete the application.

The first thing you should know about Cherokee Nation Child Support is we do not take sides. We work for what is in the best interest of your child or children. We do that by working to locate a non-custodial parent, taking necessary steps to determine paternity, establish and/or modify a legitimate child support order, and attempting to collect child support payments.

Please provide copies of your children's state birth certificate, Membership or CDIB card, Social Security card for you and your child(ren), two most recent payroll stubs, divorce decree, all orders signed by a court and a copy of any paternity affidavit if you have one. Once your application is complete and we have all the required forms, it will be reviewed to determine the best possible way to help your child or children. Again, we cannot begin working on your case until we have all the required documentation.

Please read the Statement of Understanding carefully. By signing the Statement, you agree to cooperate with the Cherokee Nation Child Support Services program, Cherokee Nation tribal law and applicable federal child support rules and regulations. If you have any questions, contact a Cherokee Nation Child Support employee before you sign the document.

STATEMENT OF UNDERSTANDING:

1. I understand the Cherokee Nation Office of Child Support Services (CNOCSS) is here to act in the public interest to protect children's rights, protect the taxpayers, the tribe, and to make sure that the parents financially support their children. I understand that the responsibilities of the child support program do not allow the staff of CNOCSS to have the same confidential relationship with me as I would have with a private attorney. Information I provide will be kept from the general public but may be used as needed to collect support from either parent. I give CNOCSS permission to give any necessary information to law enforcement officers, public officials, court or others to assist me to collect child support or medical support.
2. I understand that CNOCSS attorneys or child support staff do not represent me.
3. I agree to fill out forms and affidavits as requested, to have genetic testing if necessary and attend court to give testimony. I agree to cooperate fully with CNOCSS, law enforcement office's and the court. I will notify CNOCSS of my new address in writing every time I move.
4. I agree to give all identifying information requested to assist in locating and collecting child support from the non-custodial parent (NCP) and/or prove who is the biological father of my child(ren). This includes any information that I know about or any documentation that I have.
5. I understand that CNOCSS **cannot** guarantee that it can determine who the biological father of my child is, collect the money from the NCP, enforce a court order for support or obtain a support order from the court. I understand that CNOCSS cannot help with issues such as custody and property settlements. I agree to tell CNOCSS if I hire a private attorney to collect or modify child support or spousal support for me.
6. I agree CNOCSS will decide on the best way to collect the child support. This will include taking the overdue support from federal and state tax refunds that are due to the NCP. I understand that money collected from federal or state tax intercept will be applied to monies owed to the tribe or state first for funds expended on behalf of my children and myself. I understand that tax intercepts may take refunds due to both the NCP and current spouse on joint returns. I understand that CNOCSS or a state agency will hold the intercept for up to six months. I understand that I may receive tax collections that are actually owed to the NCP's current spouse and I agree that if the NCP's current spouse files an Injured Spouse claim for his/her portion of the tax refund collection, I will return that portion to CNOCSS. I further understand that the Cherokee Nation will, in accordance to a Service Agreement refer my case to the State of OK to intercept tax refunds.
7. I agree that starting with the date of my application all money paid for child support will go through the Tribal Payment Center in Tahlequah. I further understand that the CNOCSS will, in accordance to a service agreement refer my case to the State of OK to intercept tax refunds. I give CNOCSS the authority to endorse child support checks made out to me. I understand that if I do not notify CNOCSS of direct payments or turn in child support paid directly to me, my case may be closed.
8. I understand if I keep child support payments to which I am not entitled because the NCP paid me directly for support assigned to the tribe or state or because payments were sent to me in error, CNOCSS will recover the overpayment from me. I understand CNOCSS shall be entitled to recover the overpayment by withholding amounts from my child support payments and/or through interception of my state tax refund.
9. I understand it is law that CNOCSS will collect money owed to the tribe or state for any TANF my children received in the past or is/are currently receiving. Any amount of money collected that is more than what is due every month for current support will be paid to the tribe or state for any TANF paid to me or my children in the past.
10. I understand and agree to all the terms above. I understand that if I violate any of the agreements or fail to cooperate with CNOCSS, my case will be closed. The information provided in this application is true and correct to the best of my knowledge.
