To The Owner

A. When to Use This Form

1. This form is to be used to compute the Maximum Base Rent and Maximum Collectible Rent for a rent controlled apartment where there have been **no** adjustments (increases or decreases) to the Maximum Base Rent other than the Standardized Increase Factor. If an apartment has had rent adjustments, Notice Form RN-26-Long Form should be used to properly reflect the adjustments in the Maximum Base Rent.
2. If Notice Form RN-26-Long Form was used to calculate previous MBRs, Notice Form RN-26-Long Form **must** be used to calculate the 2014-15 MBR.

This rent increase is not collectible from any tenant who has a Division of Housing and Community Renewal (DHCR) rent reduction order currently in effect for failure to provide or maintain an essential service as defined in 9 NYCRR 2202.3(b)(2). The increase is only collectible as of the first rent payment date after the effective date of a rent restoration order issued by DHCR finding all such services to have been restored.

B. How To Use This Form

A Master Building Rent Schedule (RMB-2014) listing the Maximum Base Rent, Maximum Collectible Rent and Fuel Cost Adjustment(s) for all rent controlled housing accommodations in the subject building must be completed by the owner and submitted to DHCR **within 60 days of the issuance of the 2014-15 Order of Eligibility or Computed Order of Eligibility.**

To The Tenant

1. If you do not understand or agree with the Owner's computations, request a clarification from the owner. If you do not receive a satisfactory explanation, you may submit a "Tenant's Complaint of Rent and/or other Specific Overcharges in Rent Controlled Apartments" (DHCR Form RA-89C.)
2. Challenges to the MBR Order must be filed at Gertz Plaza or any Borough Rent Office on challenge form RA-94 MBR. Challenges should be specific and should relate to lawful requirements, such as those related to certification and/or to whether the effective date of the order was correct. A tenant's challenge must be filed within thirty-five (35) days after receiving from the owner a copy of this Notice of Increase (Form RN-26S). Any party aggrieved by the challenge determination may file a Petition for Administrative Review (PAR) using Form RAR-2 within thirty-five (35) days of the challenge determination issue date.
3. Any appropriate retroactive increase in rent under the 2014-15 Order of Eligibility shall be paid in installments equal to the number of months between the effective date of the Order of Eligibility and your next rent payment date. To The Owner

1. This form is used for a building which received either a 2014-15 Order of Eligibility (Form RO-30 MBR) or a 2014-15 Computed Order of Eligibility (Form RO-30C MBR) issued by the New York State Division of Housing and Community Renewal (DHCR) authorizing Maximum Base Rent (MBR) increases effective prior to January 1, 2015. This form computes the 2015 Maximum Collectible Rent (MCR) and if necessary adjusts the 2014-15 Maximum Base Rent.
2. A signed copy of this Notice must be prepared and served on each rent controlled tenant of the subject building before any increase computed on the reverse side is collectible. Failure to serve this Notice within 60 days of January 1, 2015 or of the issue date of 2014-15 Order of Eligibility, whichever is later, causes this increase to be collectible prospectively only.
3. A 2015 Maximum Base Rent Master Building Rent Schedule Form RMB-2015 listing the rental information for all rent controlled apartments in the subject building must be filed with DHCR within 30 days after this Notice has been served on the tenant. Failure to file may result in revocation of this increase.
4. The information listed on the latest MBR Order of Eligibility must be used to complete this form even if the order is under challenge or Petition for Administrative Review. If a determination results in a corrected 2014 MBR Order, corrected copies of this Notice must be served on the tenants and a corrected Master Building Rent Schedule must be filed with DHCR.

To The Tenant

5. You must have been served previously with the following documents before this form can be used for computing any additional rent increases:

A copy of 2014-15 Order of Eligibility (Form RO-30 MBR) or Computed Order of Eligibility (Form RO-30C MBR) containing the DHCR Docket Number, plus

A Notice of Increase in 2014-15 Maximum Base Rent and Maximum Collectible Rent Computation (Short Form) RN-26S or (Long Form) RN-26.
6. If you do not understand or agree with the owner's computations, request an explanation from the owner. If you do not receive a satisfactory explanation, you may submit a "Tenant's Complaint of Rent and/or Other Specific Overcharges in Rent Controlled Apartments" (DHCR Form RA-89C).
7. Any appropriate retroactive increase in rent under this Notice (see Number 2 above) shall be paid in installments equal to the number of months between January 1, 2015 and your next rent payment date. At your option, you may pay the retroactive amount in a lump sum.

To The Senior Citizen and Disabled Tenants

Senior Citizens and Disabled tenants with currently valid Rent Increase Exemption Orders (SCRIE or DRIE) need not pay that part of the rent increase which causes the Maximum Collectible Rent to exceed one-third of their monthly disposable income. A currently valid Rent Increase Exemption Order is renewed automatically for six months, during which time the tenant must have completed and filed a Renewal Application with the New York City Department of Finance.

Senior Citizens, including Supplemental Security Income (SSI) recipients, 62 years or older with aggregate household net disposable incomes of \$29,000 or less and disabled tenants 18 and older who meet the income guidelines for the Disability Rent Increase Exemption (\$20,412 for single member households and \$29,484 for households of 2 or more) who do not have rent increase exemption orders may be eligible for an exemption. Contact the NYC Department of Finance at 311 for further information.

Rent Increase Exemption Order (DRIE) is not required to pay any portion of the rent increase indicated above which causes the monthly rent to exceed one-third of the tenant's monthly disposable income. A currently valid Rent Increase Exemption Order is renewed automatically for six months during which time the tenant must have completed and filed a Renewal Application with the New York City Department of Finance.

This calculation adjusts the 2014 Maximum Base Rent (MBR) to reflect a labor component as of January 1, 2014 appropriate to the actual cost level for this building. This method avoids duplicating the average increases in labor costs over the last two years as they are already included in the overall Standardized Increase Factor.

Instructions

- This page is to be completed only if the latest Owner's Application For Increase-Maximum Rent-Labor Cost Adjustment (Section 2202.11) was filed with the Division of Housing & Community Renewal in 2012 or 2013 and a Master Order Increasing Maximum Rent (RO-33.8) was issued to the owner prior to January 1, 2014. If the latest Labor Cost Adjustment Application was filed prior to 2012, do **not** file this page because the 2014 Standardized Increase Factor modifies the prior MBR Modification for Labor.
- This page is **not** to be completed if an Order denying the Labor Cost Adjustment was issued.
- A completed copy of this form must be served on the tenant along with Notice Form RN-26-Long Form.
- A completed copy of this form along with the 2014 MBR Master Building Rent Schedule must be filed with the MBR Section within 60 days of the issuance date of the Order of Eligibility.
