President's Message - Elaine Fry

Your Executive Board met during a conference call last week and resolved several issues which were primarily housekeeping in nature. Your

Board meets regularly after or before our regularly scheduled meetings of our Local. During the past year and a half we have not failed to have a quorum. This is a wonderful thing and speaks to responsibility and interest not to mention good selection processes!!

Since tax time is fast approaching and I believe most of us have bankers boxes marked 2013 in our offices or already with the CPA

we will want to attend the Bradford Tax presentation this month--- at our regular meeting place. See attached for more information.....this program is designed for the self-employed person and comes with lots of information regarding what expenses are logical deductions and which are commonly used by other self-employed business owners. This is an opportunity to bring a self-employed client or a potential new member for our local. There is plenty of room and no charge-- the time is 9 a.m. until 11 a.m. so perfect to take that client or potential new member to lunch, as well!!
