**CITY OF LAKE LOTAWANA
BUILDING INSPECTION CHECKLIST**

Residential Construction: Houses, Room additions, garages, and other residential types

Listed below are the MINIMUM inspection points (as applicable for the type of construction):

Site preparation including erosion control (including silt fencing)

Footing excavation and reinforcing

Foundation wall forming and reinforcing

Underground and under slab plumbing, sewer, septic, and sewer “WYE” connection

Underground and under slab electrical

Under slab and underground mechanical

Water inspection after all underground piping, meter yoke, pit and lid are in place

All concrete flat work reinforcing

Initial framing including connection to concrete walls and slabs

Framing rough-in (prior to insulating or drywall)

Electrical rough-in (including ground wire attachment prior to insulation or drywall)

Electrical service rough-in (for meter authorization prior to insulation or drywall)

Gas piping rough-in and pressure testing (for meter authorization prior to insulation or drywall)

Top rough plumbing including drain/waste, vents, and water piping (prior to insulating or drywall)

Fireplace (after firebox is built but before chimney is completed)

Insulation

Electrical Final

Mechanical/Plumbing Final

Storm Drainage

Final Occupancy Inspection (BEFORE OCCUPANCY PERMIT IS GRANTED)

NOTE: Other inspections may be required for your particular type of structure; it is YOUR responsibility to call us for an inspection consultation prior to proceeding with the work.

Note: Most projects require portable toilet facilities (This is YOUR responsibility!)

**CITY OF LAKE LOTAWANA
100 LAKE SHORE DRIVE
LAKE LOTAWANA, MO 64086
PH: 816-578-4215 FAX: 816-578-4035**

**BUILDING PERMIT PROCEDURES: NEW HOMES, AND ADDITIONS,
AND MAJOR REMODELS, OR RENOVATIONS**

* **Special Note:** If requested permit is for property within the Lake side residential zoning area, it is strongly recommended that the Lake Lotawana Association be notified prior to taking any formal permit action with the City.

*** Construction Work Hours are as follows:**

Monday thru Friday – 7:00 AM to 7:00 PM

Saturday and Sunday –8:00 AM to 6:00 PM

1. A Building permit Application may be obtained at the City Hall or downloaded from the Lotawana website.

2. Drawing instructions for New Homes, and major remodeling, renovations, and additions:

A) 2 sets of drawings must be submitted that include: current survey (not over 3 years old), proposed plot plan (showing the footprint of the structure), house plans or improvement plans (adequate to show the scope and details of the proposed construction).

B) Drawings must show dimensions to scale, be legible and MAXIMUM SIZE OF 22”X34”.

C) Drawings must show roof lines, decks, steps, porches, sidewalks, driveways, eaves and gutters, elevations (front, sides, and rear), location of City sewer lines (if applicable), and all setbacks from the property lines. All footing, foundation, concrete wall, slab on grade, and elevated slab plans must shown complete details including reinforcing and are required for submittal as applicable.

D) For New House or Addition the drawing must indicate the type of weather resistant envelope to be used on the exterior surface of the structure.

3. Approval process:

A) Submittals must be complete and include all of the above information.

B) Any missing information will delay the approval process until complete information (including any special project specific requested information) is received.

C) The submittal will be reviewed by the Zoning Administrator, Building Official, and City Engineer. This may take up to one (1) week depending on the project complexity and personnel availability and work load.

D) Once the permit is approved, it is the responsibility of the applicant to pay for, pick up, and post the permit. Permits must be posted so as to be visible from the road and be accessible to the City's inspectors.

**CITY OF LAKE LOTAWANA
100 LAKE SHORE DRIVE
LAKE LOTAWANA, MO 64086
PH: 816-578-4215 FAX: 816-578-4035**

PERMIT DENIED APPEAL PROCESS

- 1) If any of the proposed work or submittals do not meet the requirements of the City Code, it is required that the applicant modify the submittal or furnish the additional information requested the Zoning Administrator to meet the Code requirements. Should the applicant disagree with the requested modification or submittals the applicant may file for an appeal to appear before the Board of Adjustment to seek a variance to the City Code. In such case please see paragraph 2 (below) for instructions. If no appeal is requested the permit application will be returned without further action.**
- 2) A Board of Adjustment appeal application is attached. Please bring this to City Hall to initiate the appeal process. Allow two to three days to get the appeal process started. The completed appeal application, with attachments and the appeal fee (including the cost of certified letters to neighboring properties) must be returned to the City Hall thirty days before the Board of Adjustments meeting.**
- 3) Appeal submittal information:**
 - a) Twelve copies of all drawings are required: same as required for the original Building Permit application.**
 - b) An applicant's letter stating reason(s) for the variance request including a statement of hardships justifying the variance.**
 - c) A list (including complete mailing addresses) of all neighboring property owners within 500 feet of the appeal subject property.**
- 4) Appeal applications properly submitted will be heard by the Board of Adjustment on a first come, first served basis, with all persons involved being notified of the time and date of the hearing.**
- 5) Absolutely no Permit work can be performed and no Permit will be issued until a variance approval (with any approval conditions) from the Board of Adjustment is confirmed. A denial by the Board will negate the issuance of a Permit and the Permit application will be returned without further action.**
