The information contained in the attached materials (the “Information”) has been provided to J.P. Morgan Securities LLC (“J.P. Morgan”), Citigroup Global Markets Inc. (“CGMI”) and Wells Fargo Securities, LLC (“WFS”) by the Federal National Mortgage Association (“FNMA”) and is preliminary and subject to change. The Information does not include all of the information required to be included in the prospectus supplement relating to the securities. As such, the Information may not reflect the impact of all structural characteristics of the securities. The assumptions underlying the Information, including structure and collateral, may be modified from time to time to reflect changed circumstances. Prospective purchasers are recommended to review the final prospectus supplement and the related base prospectus relating to the securities (“Offering Documents”) discussed in this communication. Offering Documents contain data that is current as of their publication dates and after publication may no longer be complete or current. Final Offering Documents may be obtained from FNMA by calling toll free 1-800-237-8627 or J.P. Morgan by calling toll-free 1-866-669-7629.

There shall not be any offer or sale of the securities discussed in this communication in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

The analyses, calculations and valuations herein are based on certain assumptions and data provided by third parties that may vary from the actual characteristics of the pool. Neither J.P. Morgan, CGMI, WFS, nor the issuer has verified these analyses, calculations or valuations. Neither J.P. Morgan, CGMI, WFS nor the issuer has undertaken to update or amend the Information since the date it was issued. More current information may be available publicly from other sources.

The investment described in this term sheet is a structured financial product. These securities are complex instruments intended for sale only to sophisticated investors who understand and assume the risks involved with the purchase thereof. The risks associated with the securities may significantly reduce an investor's expected yield and expected return of principal, and/or reduce an investor's ability to sell or obtain market value information about the securities. Investors should independently evaluate the risks associated with the securities and consult their own professional advisors. These risks may include, but may not be limited to:

- The performance of the collateral may be correlated due to economic or other factors that may diminish the value of the securities.
- The performance of the collateral and the value of the securities may be largely dependent on the quality of the origination and servicing of the collateral.
- The securities may be substantially dependent on the claims-paying ability of insurers or guarantors, as further described in the Offering Documents.
- The value of the securities may be diminished by market conditions unrelated to the performance of the securities.

The attached material may not be forwarded or provided by you to any other person. An investor or potential investor in the securities (and each employee, representative, or other agent of such person or entity) may disclose to any and all persons, without limitation, the tax treatment and tax structure of the transaction (as defined in United States Treasury Regulation Section 1.6011-4) and all related materials of any kind, including opinions or other tax analyses, that are provided to such person or entity. However, such person or entity may not disclose any other information relating to this transaction unless such information is related to such tax treatment and tax structure.

- (2) Calculated at 0 CPR.
- (3) The Class X is not being offered.

Transaction Overview:

- **Lead Manager:** J.P. Morgan Securities LLC
- **Issuer:** Federal National Mortgage Association (“Fannie Mae”)
- **Top 10 Originators:** Amerisphere Multifamily Finance 13.0%, Walker & Dunlop, LLC 11.0%, Beech Street Capital LLC 9.0%, M & T Realty Capital Corporation 8.9%, Berkadia Commercial Mortgage 7.6%, Wells Fargo Bank, N.A. 7.0%, CBRE Multifamily Capital, Inc. 5.6%, Berkeley Point Capital LLC 4.2%, Homestreet Capital Corporation 3.7% and PNC Bank, National Association 3.4%
- **Underlying Pool Seller:** Fannie Mae
- **Cut-off Date:** May 1, 2012
- **Settlement Date:** May 31, 2012
- **Distribution Date:** Monthly on the 25th, or if such is not a business day, the following business day, commencing June 2012.
- **ERISA:** It is expected that all offered certificates will be ERISA eligible.
- **Tax Status:** Double REMIC Series
- **Offered Certificates:** The Class A1, Class A2, Class AB1 and Class AB2 Certificates.

- **Priority of Cashflows:** The Principal Distribution Amount for any Distribution Date will be allocated as follows:
 1. Scheduled principal payments for each MBS, on an aggregate basis, to the A1, A2, AB1 and AB2 Classes as follows:
 - a. the AB Pro Rata Percentage to the AB1 and AB2 Classes, in that order, until retired, and
 - b. the Non-AB Pro Rata Percentage to the A1 and A2 Classes, in that order, until retired.
 2. Unscheduled principal payments for each MBS, on an aggregate basis, to the AB1, AB2, A1 and A2 Classes, in that order until retired.

The “AB Pro Rata Percentage” for any Distribution Date is equal to the percentage equivalent to a fraction, the numerator of which is the aggregate principal balance of the AB1 and AB2 Classes immediately before the Distribution Date and the denominator of which is the aggregate principal balance of the AB1, AB2, A1 and A2 Classes immediately before that date.

The “Non-AB Pro Rata Percentage” for any Distribution Date is equal to 100% minus the AB Pro Rata Percentage for that date.

- **Prepayment Premiums Distribution:**

Any prepayment premiums that are included in the MBS distributions for any Distribution Date will be allocated to the AB1, AB2, A1, A2 and X Classes as follows:

1. to the AB1, AB2, A1 and A2 Classes as follows:
 - a. on each Distribution Date prior to the Distribution Date on which the aggregate principal balance of the AB1 and AB2 Classes is retired, to each of the AB1 and AB2 Classes, an amount equal to 30% of the prepayment premiums multiplied by the percentage equivalent to a fraction, the numerator of which is the principal payable to such Class on such Distribution Date and denominator of which is the aggregate principal payable to the AB1 and AB2 Classes for such Distribution Date, and
 - b. on each Distribution Date beginning with the Distribution Date on which the aggregate principal balance of the AB1 and AB2 Classes is retired, to each of the AB1, AB2, A1 and A2 Classes, an amount equal to 30% of the prepayment premiums multiplied by the percentage equivalent to a fraction, the numerator of which is the principal payable to such Class on such Distribution Date and the denominator of which is the Principal Distribution Amount for that date;
2. to the X Class, an amount equal to 70% of the prepayment premiums for that date.

- **Guarantee:**

All underlying pools will be guaranteed by Fannie Mae with respect to the full and timely payment of interest and principal. Fannie Mae's guarantee does not cover any prepayment premium payments due on the underlying mortgage loans.

The information contained in the attached materials (the “Information”) has been provided to J.P. Morgan Securities LLC (“J.P. Morgan”), Citigroup Global Markets Inc. (“CGMI”) and Wells Fargo Securities, LLC (“WFS”) by the Federal National Mortgage Association (“FNMA”) and is preliminary and subject to change. The Information does not include all of the information required to be included in the prospectus supplement relating to the securities. As such, the Information may not reflect the impact of all structural characteristics of the securities. The assumptions underlying the Information, including structure and collateral, may be modified from time to time to reflect changed circumstances. Prospective purchasers are recommended to review the final prospectus supplement and the related base prospectus relating to the securities (“Offering Documents”) discussed in this communication. Offering Documents contain data that is current as of their publication dates and after publication may no longer be complete or current. Final Offering Documents may be obtained from FNMA by calling toll free 1-800-237-8627 or J.P. Morgan by calling toll-free 1-866-669-7629.

There shall not be any offer or sale of the securities discussed in this communication in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

The analyses, calculations and valuations herein are based on certain assumptions and data provided by third parties that may vary from the actual characteristics of the pool. Neither J.P. Morgan, CGMI, WFS, nor the issuer has verified these analyses, calculations or valuations. Neither J.P. Morgan, CGMI, WFS nor the issuer has undertaken to update or amend the Information since the date it was issued. More current information may be available publicly from other sources.

The investment described in this term sheet is a structured financial product. These securities are complex instruments intended for sale only to sophisticated investors who understand and assume the risks involved with the purchase thereof. The risks associated with the securities may significantly reduce an investor's expected yield and expected return of principal, and/or reduce an investor's ability to sell or obtain market value information about the securities. Investors should independently evaluate the risks associated with the securities and consult their own professional advisors. These risks may include, but may not be limited to:

- The performance of the collateral may be correlated due to economic or other factors that may diminish the value of the securities.
- The performance of the collateral and the value of the securities may be largely dependent on the quality of the origination and servicing of the collateral.
- The securities may be substantially dependent on the claims-paying ability of insurers or guarantors, as further described in the Offering Documents.
- The value of the securities may be diminished by market conditions unrelated to the performance of the securities.

The attached material may not be forwarded or provided by you to any other person. An investor or potential investor in the securities (and each employee, representative, or other agent of such person or entity) may disclose to any and all persons, without limitation, the tax treatment and tax structure of the transaction (as defined in United States Treasury Regulation Section 1.6011-4) and all related materials of any kind, including opinions or other tax analyses, that are provided to such person or entity. However, such person or entity may not disclose any other information relating to this transaction unless such information is related to such tax treatment and tax structure.
