ACCOUNT INFORMATION FORM

DATE

This Account Information Form supersedes all prior Account Information Forms. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account with CU Investment Solutions, Inc. When you open an account, we will ask for your name, address, date of birth, telephone number, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. For new members other than individuals, we will ask you to provide certain corporate entity documents. The account holder should notify the firm of any future changes or incorrect information contained on this account form.
