- 2. Find your selected plan for you and/or your family in the chart.**
- 3. Locate the rating category (e.g. adult and child) and age range that applies to you, the primary applicant.**

Individual term life, dental coverage, and Bridge Plan (hospital insurance indemnity rider) rates can be found on page 6.

Bridge Plan rates (all regions and ages)

Individual	\$60 for the year (billed \$5 per month)
Family	\$120 for the year (billed \$10 per month)

Please note: Bridge Plan is a hospital insurance indemnity rider. The premium for this rider is one sum which has been established for a period of one month to 12 months of coverage, therefore the entire sum is owed as of its effective date, but is billed with the health insurance plan premium on a pro-rata basis over a 12-month period (you will receive one bill that combines your health, hospital insurance indemnity rider, and if applicable, your dental and/or term life insurance premiums/dues). Should the benefit be payable before the 12th month, or should the Insured terminate, change coverage, or otherwise no longer be eligible for this rider before the 12th month, the remaining balance will still be owed and must be paid. This rider is nonrefundable, so there is no premium refund – including a pro-rata portion of premium – if you terminate, change coverage, or otherwise are no longer eligible for this rider.
