Returns & Exchanges

Return Policy: Web

We want you to love what you ordered. If something is not right, let us know. Follow the directions on the back of the packing slip to return merchandise for credit. If you would like other items you may place another order through the web site or specify what items you would like in the “New Merchandise” area on the packing slip. Pack all items in a secure carton or reuse the original packaging and enclose the packing slip.

Return Policy: Store

Our Urban Outfitters stores gladly accept returns of any unwashed, unworn, unused, or defective merchandise at any time accompanied by an original sales receipt. For items returned within 30 days from the date of purchase, the original method of payment will be refunded (checks/debit are refunded as cash). For items returned after 30 days from the date of purchase, a Merchandise Credit will be issued for the price paid.

For merchandise returned without an original receipt, a Merchandise Credit will be issued for the current retail-selling price of the item(s) returned. Valid photo identification is required for all returns without a receipt.

A one-time price adjustment will be granted when an original sales receipt is presented within 14 days of purchase.
