THE ONLY ALL CANADIAN DISTRICT IN 5M

District 5M13 Public Relations Let community know about your Lions club

As Public Relations Chair for Lions District 5M13, it is my responsibility to encourage all clubs to make the public aware that Lions, Leo & Lioness Clubs do exist!

Let your community know about your activities and the services you provide or are available through Lions International. We have a wonderful publicity tool in our "Manitoba Lion" so make sure to publicize your club activities by submitting articles and pictures. Send in District Reports on a regular basis and I will include your happenings in the "Gleanings" section.

Make use of your local newspaper, if you have one, and come up with creative ideas for publicity. In order to accomplish all these things, I would suggest that each club appoint a Public Relations Chair and let me know who that person is so I can provide leadership and guidance.

International President challenge

Follow your dream and make it happen

by DG LLOYD McCABE

I am both honored and privileged to represent 5M13 as your District Governor. The training has been completed and now the real stuff starts. Lion Bev and I attended the 96th International Convention in Hamburg where Lion Barry Palmer from Australia was installed as International President.

He talked about his theme "FOLLOW YOUR DREAM" and challenged everyone to follow their dream and make it happen. He asked us to take responsibility in our communities and surrounding areas to help those who are less fortunate than ourselves. He reminded us to recognize those club members who have been "DREAM ACHIEVERS" and honor them for their accomplishments. Reaching out to include women and those ethnic groups from our communities will assist our membership and make clubs even stronger.

September brings in the end of the 1st quarter of the Lions year. Now everything will be off and running full tilt. In July we were invited by Lion Frank Crew to attend their BBQ in Birtle and what a party. I was privileged to induct the first new member for

DG Lloyd McCabe and partner in service Lion Bev with Mascots at the International Convention in Hamburg, Germany

the year, Lion Shauna Brown who was sponsored by Lion Debbie Jensen. Also I presented Hope Medals to well deserving Lions Irene Paddock and Gary Dimond both who have made many serving contributions to the Birtle community.

On July 22 we visited the Lions Club in Minnedosa to a welcome BBQ for the six visiting exchange students. Maiken Juul Nysom Pedersen from Denmark, Maurien Rombouts from Holland, Reka

Sara Toth from Hungary, Hedda Ortmann from Germany, Lauka Hauser from Austria and Wouter Bulthuis also from the Holland Lion President Gareth Woods was present as was the host families for the three weeks that they were here. Then on August 9 we attended a going away pot luck dinner at one of the host families in Minnedosa. Each of the exchange students presented a dish from each of their countries. Lion Gord Kingdon should be complimented for the huge task that he took on

coordinating a stimulating program that was praised by the youth. I would like to see more clubs step forward and take on task with the youth.

July 27 saw us attending the Council of Governors in St. Cloud, Minnesota dealing with the challenges in MD5M. Our district, 5M13 is under the gun as we had a membership of 1203 on the 1st of July. This is the beginning of the 3rd year

that we have been below the minimum number of 1250 members which constitutes a District. would easily reach the lofty target.

On July 30 the District Governor team made up of the 12 zone chairs, GLT/GMT and the district executive met and reviewed goals and action plans for the year. I was very impressed with the leadership displayed in this group of Lions. They will be calling on each and everyone of you to assist in accomplishing their goals.

Hope Medal Presentation to Lion Irene Paddock of the Birtle Lions Club

Hope Medal Presentation to Lion Gary Dimond of the Birtle Lions Club

In Hamburg 754 District Governors were installed for their year representing 206 countries and territories. Bev and I met so many wonderful and interesting Lions from many countries from all over the world. With well over 16,000 Lions attending the Convention the languages and uniforms were quite varied. We attended with eleven other DGs and spouses from MD5M and

are extremely fortunate to have such a wonderful group to exchange ideas with over this next year.

Lions Clubs International Foundation forms new partnerships

By Lion Harvey Kingdon

Protecting children against Measles

LCI and GAVI Alliance have partnered to protect children against measles - a disease killing some 430 people daily. Though the partnership US \$30 million will be raised to improve access to vaccines through the GAVI Alliance - a public-private partnership whose mission is to save children's lives and protect people's health by increasing access to immunization in the world's poorest countries. The funds raised by the Lions will be matched by the UK's Department of International Development and the Bill and Melinda Gates Foundation, bringing the total to US \$60 million.

LCI pledge \$7.8m to Special Olympics

LCI is pledging US \$7.8 million to special Olympics, expanding worldwide efforts to support the inclusion and well-being of people with intellectual disabilities. LCI has been supporting Special Olympics with a focus on health through the Special Olympics - LCI Opening eyes vision screening program. Now, this five year renewed and increased efforts will create leadership opportunities for Special Olympic athletes, increase the health work of Special Olympics, conduct outreach to families for additional support and allow for both organizations to reach more young people through inclusive sports and advocacy programs in an effort to achieve full acceptance and inclusion of people with intellectual disabilities in their communities.

You can help reach these goals by making a donation to Lions Clubs International Foundation (LCIF). Last year 23 District 5M13 Lions clubs donated a total of US \$13,829.82 to LCIF. Thank you for your past donations. Clubs are encouraged to make a donation and increase our yearly total.

Russell host Cavalcade, \$5,805 raised

District Governor Willie Brown and Russell Lion President Don Betke with Pontiac Solstice for parade.

The 5M13 District's Cavalcade was held in Russell, Manitoba on June 1, 2013. It was part of Russell's Family Day Parade and activities held at the Ag Grounds. This is the home of the 2012-2013 District Governor Willie Brown and the Russell Lions Club.

The Canadian Diabetes Association is proud to be the

only national provider of summer camp programs for children and youth living with Type 1 Diabetes. Nationally, the International Association of Lions Clubs in Canada can be proud of their support to these camps. Children supported by our District attend Camp Briardale in Woodlands, Manitoba.

Cavalcade earns \$5,805

We had a very successful Cavalcade in Russell earning \$5,805.90. It was a great parade for awareness. The next Cavalcade will be held in Brandon and I am hoping I will get a member from each club on the committee.

On September 21st the Lions Tag Day for Diabetes will be held. It is not too late for a club to join in this fun activity just give me a call and I will get supplies to you.

**Community Volunteer Work
that Makes a Difference**

If you're interested in volunteering, leading projects, networking and having fun – you can do all of this and more as a Lions club member. As a Lion, you'll perform local volunteer work to improve your community – and communities around the world.

You can join a local club that meets in person. A cyber club that meets online. Or a special interest club based on your profession, a hobby or anything you care about. You can plan a local project to protect the environment. Recycle eyeglasses to help the working poor. Or bring clean water to a remote village. Whatever you choose, you'll be sharing, caring and making a difference.
