THE LOAN APPLICATION PROCESS

Thank you for your interest in applying for a loan with the Credit Union! Please take a minute to review this important loan application information to insure that your loan is processed as quickly as possible.

THE APPLICATION

Please return the following to the Credit Office or fax to (202) 338-7635:

1. Application

Complete all pages and sign the application. Be sure to include the amount and duration that you are requesting and a current phone number in case we have any questions.

2. Verification of Income

Please provide copies of your two most recent pay stubs as verification of your income. If you are beginning a new job, you may include a copy of your offer letter.

3. Supporting Information

If you have any out of the ordinary circumstances (such as your parents provide you with a monthly allowance, a friend covers a particular expense, etc.), please provide a notarized letter from that individual to serve as verification. Most commercial banks provide a notary public service, as does DOPS.

4. Additional Considerations

Feel free to include a letter that includes anything you would like the Credit Union to consider while processing your loan. This could include an information about an unusual expense or source of income or an explanation for an item on your credit report or account history.

5. Service Charges

There are three options for the speed of processing for a loan. A Standard Decision will be given in 5 business days, provided all necessary information is given to the Credit Committee, and a \$10 fee will be applied. A Rush Decision will be given in 2 business days, provided all necessary information is given to the Credit Committee, and a \$20 fee will be applied. An Overnight Decision will be given the next business day, provided all necessary information is given to the Credit Committee by the end of the business day, and a \$30 fee will be applied.

PROCESSING YOUR APPLICATION

Normal processing takes 5 to 7 days. If you need your processing rushed, please contact a member of the Credit Committee to make special arrangements. We will contact you once a decision has been made about your loan.
