Camp Location: 712 Arts Plaza, Irvine, CA 92697

**Waiver of Liability, Assumption of Risk, and Indemnity Agreement**

**Waiver:** In consideration of being permitted to participate in any way in the Mathobotix Robotics Camps at the Beall Center for Art + Technology, (hereinafter referred to as the "Activity") I, for myself, my heirs, personal representatives or assigns, **do hereby release, waive, discharge, and covenant not to sue** The Regents of the University of California, its officers, employees, and agents from liability **from any and all claims including the negligence of The Regents of the University of California, its officers, employees and agents**, resulting in personal injury, accidents or illnesses (including death), and property loss arising from, but not limited to, participation in the Activity.

\_\_\_\_\_  
Signature of Parent/Guardian of Minor      Date

**Assumption of Risks:** Participation in the Activity carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. The specific risks vary from one activity to another, but the risks range from 1) minor injuries such as scratches, bruises, and sprains 2) major injuries such as eye injury or loss of sight, joint or back injuries, heart attacks, and concussions 3) catastrophic injuries including paralysis and death.

**I have read the previous paragraphs and I know, understand, and appreciate these and other risks that are inherent in the Activity. I hereby assert that my participation is voluntary and that I knowingly assume all such risks.**

**Indemnification and Hold Harmless:** I also agree to INDEMNIFY AND HOLD The Regents of the University of California HARMLESS from any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities, including attorney's fees brought as a result of my involvement in the Activity and to reimburse them for any such expenses incurred.

**Severability:** The undersigned further expressly agrees that the foregoing waiver and assumption of risks agreement is intended to be as broad and inclusive as is permitted by the law of the State of California and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

**Acknowledgment of Understanding:** I have read this waiver of liability, assumption of risk, and indemnity agreement, fully understand its terms, and **understand that I am giving up substantial rights, including my right to sue.** I acknowledge that I am signing the agreement freely and voluntarily, and **intend by my signature to be a complete and unconditional release of all liability** to the greatest extent allowed by law.

## Lego® Robotics Engineering Camps at the UC Irvine, Claire Trevor School of the Arts Beall Center for Art + Technology

Lego® engineering projects based on  
**STEAM** (Science, Technology, Engineering, Art and Math) Curriculum

Students have fun while learning basic static structures used in robotics by applying the fundamentals of art, design, math and science concepts. Robot Cadets will build strong and stable structures, explore simple machines, and program their robots using Lego® NXT software. They will enjoy playing drag race and Sumo with fellow team members. The robot cadets will compete in mini team competitions and demonstrate their projects in a Show & Tell on the last day of camp.
